## Announce Plans For Fund Campaign For New Castle Hospital

**Campaign In Spring Is Announced At 40th Anniversary Dinner**

**Extensive Program Of Improvements At Hospital Is On Schedule**

Supplementing the announcement last week that New Castle Hospital will launch an extensive building program, J. Preston Flaherty, vice president of the hospital's board of directors, last night disclosed that a campaign for funds to finance the hospital expansion will be undertaken next spring.

40th Anniversary

Mr. Flaherty's announcement highlighted the program of the hospital's 40th anniversary observance attended by the medical staff, board members, and city officials. The dinner was held in the Nurses' Home of the hospital.

The objective to be sought in the campaign will not be determined until complete plans are submitted by the architect following study of the hospital's needs by a nationally recognized hospital consultant.

"Decision to go to the public for funds was made by the Board of Directors only after lengthy consideration," stated Mr. Flaherty last night. "Due to the urgent need for these additional facilities, we feel that we can delay the matter no longer if the hospital is to continue to service the community properly."

On Non-Profit Basis

"Most people know, of course, that the New Castle Hospital and all similar charitable institutions, operate on a non-profit basis. The fees charged patients who are able to pay their hospital bills cover only the actual cost of the service rendered. Consequently, no funds can be laid aside for building purposes," explained Mr. Flaherty.

"It is for that reason that we must go to the public for the funds to make possible these vitally needed improvements."

Campaign In April Or May

The campaign, scheduled to begin in April or early in May with advance gift solicitation among

## Pa Newc Observes

Pa Newc got a report from the vicinity of Bensenville at noon today that there was a good sized snow storm in progress in that area at the time.

Deer season evidently is open to points north of here. Pa Newc noticed a car being driven through the district with a nice buck strapped to the front fender.

Some snow was noted in the falling rain shortly before noon today, indicating that the weather change may bring a considerable fall of snow. West of Pittsburgh, snow was reported falling in noticeable fashion this morning.

Typical Armistice Day weather has been promised for tomorrow, with rain turning to snow tonight. In case you don't remember, the mercury dropped to 23 degrees a year ago today, and it snowed.

First possible forecasts of sloppy snowy weather is forecast for this district by tomorrow, according to the weather bureau announcement from Pittsburgh. So far there has been no snow in this locality this fall.

Visitors to the downtown section on Tuesday were straining their necks to watch the antics of a stepple jack as he moved about over a tall television antenna which was being erected on a downtown building. The workman moved about with agility.

## Daily Weather Report

United States weather statistics for the 24-hour period ending at 9 a. m. today follow:

Maximum temperature, 64.  
Minimum temperature, 47.  
Precipitation, .11 inches, rain.  
River stage, 5.6 feet.

Statistics for the same date a year ago, follow:

Maximum temperature, 42.  
Minimum temperature, 23.  
Precipitation—traces snow.

## American Officials Gravely Concerned Over China Situation

By WILLIAM KERWIN  
(U. S. Staff Correspondent)

WASHINGTON, Nov. 10.—American officials are gravely concerned today over China where the Communist armies are on the march.

Official feeling in Washington was pointed out by Economic Cooperation Administrator Paul Hoffman who described the situation in China as "desperate."

Hoffman held a lengthy conference with the ECA advisory board on China aid as former Ambassador to Russia William C. Bullitt left Washington by plane to make a survey of China's needs for Congress.

The ECA chief talked with board members and Harlan Cleveland, director of China aid, for more than two hours. Emerging, he said: "I would say the situation was desperate. We are planning to go ahead with the ECA program to China until events there clarify the situation."

"The situation is very fluid and our course of action depends on the daily reports."

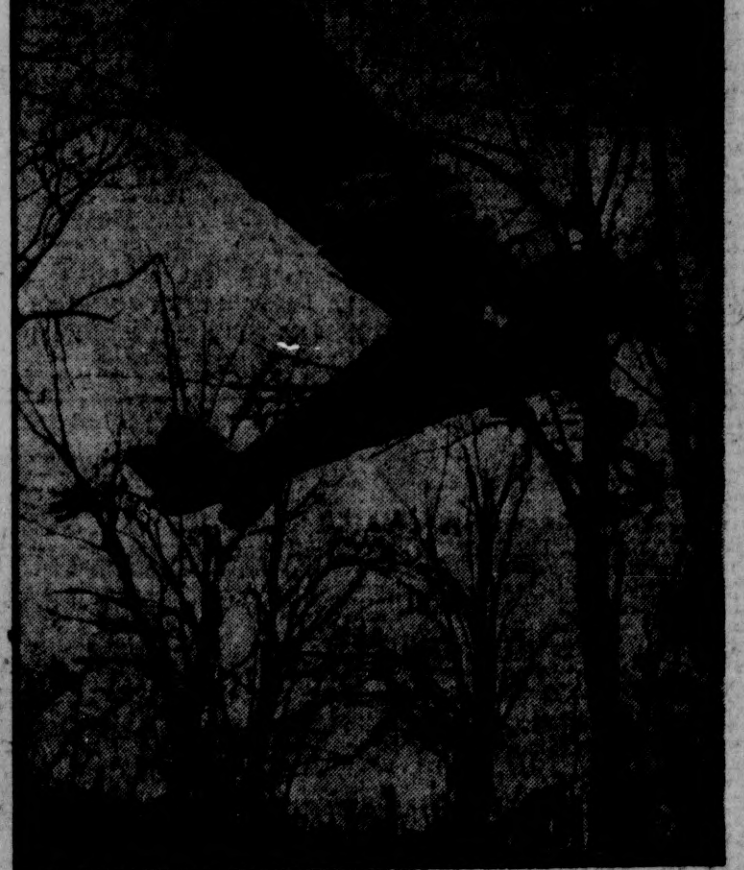

While Hoffman said that at present there was no change in the China air program it was indicated that as the Communists continue their advance, shipments to the captured areas would be cut off.

A feeding program in Mukden was halted when the Communists took over.

Hoffman indicated that the pro-

Roland Rousseau, 28, of Hartford, Conn., and Edward J. Brink, 38, of Hartford, Conn., were injured when their new Piper Cub was unable to obtain flying speed and crashed in the tree-tops near West Trenton, N. J. Nelson Hill, State Dept. of Aviation is investigating.

## Barkley Confers With President Over Problems

McGrath To Join Democratic Conferences At Key West On Thursday

## MAJOR POLITICAL PLANS BEING MADE

By ROBERT G. NIXON  
(U. S. Staff Correspondent)

KEY WEST, Fla., Nov. 10.—Two top White House strategists are scheduled to confer again today with President Truman at his vacation retreat in Key West and major political decisions are expected.

Sen. J. Howard McGrath, chairman of the Democratic National Committee, is expected to arrive at Boca Chica airbase tomorrow and join Mr. Truman, vice-president-elect Alben W. Barkley, and Leslie Biffle, Senate Democratic policy director.

Ideas On Changes

McGrath, who has his own ideas on changes in top administrative posts is believed ready to give the president his plans on how party loyalty and party apathy should be dealt with.

Cabinet changes and a realignment of the Democratic high command also were on the agenda of the party chiefs.

Barkley and Biffle talked over a broad program of legislative reforms to be sent to the new Democratic Congress in January. They were non-committal upon their arrival yesterday on either politics or policy until joining the president.

Barkley declined to discuss possible cabinet changes, saying: "I don't have to tell you it will be there's a shift down below who can tell about those things."

Persons close to the president intimated that secretary of defense James V. Forrestal and Secretary of Air W. Stewart Symington are on their way out.

## NO MAIL DELIVERY ON ARMISTICE DAY

There will be no city, window or rural mail delivery here tomorrow, because of Armistice Day, Postmaster William R. Hanna announced today.

Special delivery service will be maintained as usual, and mails will be collected and dispatched on holiday schedule.

## Council Scans Budget Needs

City May Need \$1,000,000 For Operations During Coming Year

PREPARING TO IMPOSE WAGE TAX

Mayor John F. Haven, and city directors, Joseph D. Alexander, Richard I. Davis, James Gibson and Albert Hoyland, today conferred as to appropriations required to operate the city next year.

However, the appropriations cannot be arrived at finally, until after a hearing of possible objections to First ward triennial assessments. This hearing is slated for city hall, November 17.

Will Need \$1,000,000

According to present indications, \$1,000,000 will be required. The appropriation for the present year was about \$865,000. Expenditures have exceeded this amount.

The \$1,000,000 will come from taxes, which includes the proposed wage tax. A bill to make the latter bill legal is to be voted upon, finally, November 15, and indications are, it will be adopted.

Mayor Haven, as head of the department of public affairs, which includes the police bureau, proposes to trade in the present automobiles for new ones, believing it more economical than to pay repairs for cars one year old, which need repairs.

Another requirement is zoning for which \$10,000 will be set aside. Council has finally determined that, the city needs re-zoning, and, according to one member, the city will be re-zoned next year.

Other Needs

Parks Director Joseph D. Alexander has listed an appropriation for the painting of buildings at Cascade Park, which is needed badly. However, the midway will not be amised next year. The Seventh ward park is to be enhanced in appearance.

Streets put in by the PWA are in need of a top coat, and a storm

An additional and very useful service of the New Castle Free Public Library was made possible when at the regular board meeting in the library, the Lions club of this city presented to them a ceiling book projector.

Henry O. Broad, president of the Lions club, and Worrell M. Jones, chairman of Activities committee, made the presentation to the library board.

The ceiling book projector is to be used solely for shut-ins, the service of the projector and projected books made possible

(through the Lions club, with the public library acting as the agency of distribution.)

Miss Alice Sterling, librarian, stated that requests for the projector will be taken and handled in the same manner as requests for library books.

One Projector

Due to the fact that there is only one ceiling projector available at present a time limit of three days has been established for use of the machine for each person. And it is pointed out that

## Tropical Storm Approaches Coast

MIAMI, Fla., Nov. 10.—A tropical storm neared the North Carolina coast today but forecasters expected it to shift to a northerly course before reaching the mainland.

The Miami weather bureau reported at 5 a. m. (EST) that the center of the disturbance was 270 miles southeast of Wilmington, N. C.

Officials estimated it would pass close to the coast early this afternoon or tonight.

The bureau predicted the storm would curve from its early northwesterly direction by afternoon.

## Plan Program At War Memorial

Memory Of County's War Dead Will Be Honored At Armistice Hour Thursday

## JUDGE LAMOREE TO BE SPEAKER

Lawrence county's valiant war dead will be remembered at the armistice hour with a special program at the county war memorial at the court house Thursday morning, starting at 10:45 o'clock when Judge John G. Lamoree will be the speaker.

To Place Tokens

Tokens of remembrance will be placed by the following veterans organizations and their auxiliaries:

## Canton, O., Woman Killed In Crash On Turnpike Exit

CARLISLE, Pa., Nov. 10.—(INS)—A Canton, O., woman was killed and her sister seriously injured last night when their automobile skidded from the exit road of the eastern terminus of the Pennsylvania turnpike at Middlesex and crashed into a guard rail.

Cumberland County Coroner E. A. Haegle said Mrs. Loretta M. Boyer died of a broken neck, fracture skull and crushed chest when she was thrown from the automobile. Her sister, Mrs. Ellsworth Smith, also of Canton, driver of the car, was taken to Carlisle hospital with a back injury, concussion and lacerations.

Police said the accident occurred during a heavy shower.

## Armistice Day Parade Will Be Colorful Event

Final Arrangements For Procession Thursday Evening Have Been Completed

## MANY GROUPS ARE TO BE IN LINEUP

All arrangements for the big Armistice Day parade here on Thursday evening, November 11, have been completed, Parade Marshal William Seltzer announced today, and a colorful event is looked forward to.

Line Of March

The parade will move out promptly at 7 o'clock from South Mill and Home streets, and will march up Mill street to South Croton, thence to East Washington street on Croton, and west on Washington street to The Diamond, turning north there, and disbanding at North Jefferson and Falls streets.

There will be five divisions in the parade, and the lineup indicates that a great number of groups will participate.

The reviewing stand will be on the north side of Washington street, between Mill and Apple Way. Eleven school bands from the county will furnish the music for the procession and all indications point to a fine parade.

The lineup is as follows:

## Arthur Mometor

The calendar says it's been thirty years since the battle of rifles ceased, and we thought we were done with the business of war, and that now the world would see peace. They promised us then we'd have war no more, that cannon would be passed, but how wrong they were when they talked of peace and tomorrow on Armistice Day, it would be a boom if the folks of the world, would insist that all wars be through, so that men could live out their lives in peace, the weather is fifty two.

## SOCIETY & Clubs

### FEDERATION JRS. NOVEMBER PROGRAM

Federation Juniors were entertained in the home of Mrs. Richard Marquis, Wilmington road, Tuesday evening for their November program and business meeting.

Mrs. Lida Green, matron of the Margaret Henry Home, was the speaker, and told of the work at the home. Mrs. Green, who will start her twentieth year at the home in February, said that there are 39 children at the home now. However, being a refuge for children, most of them from broken homes, the number varies almost constantly. With the older children there is a constant attempt to help them plan their future. Discipline, she said, is a matter of firmness and following through. It is clothes that are one of the biggest problems.

Afterward she answered questions from the group. During the past ten years the club has taken an active interest in the home and has aided financially in the matter of clothing, furniture, gifts at Christmas, etc. The children have been guests at the children's plays during the past several seasons, also.

Next play in the children's play series will be "King Midas and the Golden Touch" to be presented Friday evening. It was announced by Mrs. Frank W. Daugherty, play project chairman.

The club voted \$10 to the Tuberculosis society and \$15 to the school milk fund.

Federation of Women's club chairmen were announced by Mrs. C. R. Kennaday, who presided over business. They are: American Home and Education, Mrs. James Beadel; citizenship and legislation, Miss Kathryn Boston; conservation-garden, Mrs. George Marquis; public welfare and youth conservation, Mrs. Samuel E. Wray; literature and fine arts, Mrs. Richard Marquis; international relations, Mrs. G. Ward Whitaker.

Committee reports were given. Next meeting will be Thursday, December 16, in the home of Mrs. F. S. Sowersby, 16 East Hazelcroft avenue.

### L.C.B.A. BRANCH TO MEET THURSDAY

There will be a meeting of the L.C.B.A. Branch No. 467 of St. Joseph's church Thursday evening at 8 o'clock in the church hall. Distribution of Christmas cards will be made at this time.

Afterwards there will be a social hour, hostesses to be Mrs. Caroline Onasch, Mrs. Mary Reider, Mrs. Mary Strobel, Mrs. Francis Brochart and Mrs. Anna Crowe.

**Fleeger-Minto**  
Miss Willavette C. Fleeger, daughter of Mr. and Mrs. Lewis Fleeger, of 1932 Hamilton street, and Donald R. Minto, son of Mr. and Mrs. Robert Minto, of Clymer, R. D. 1, were united in marriage at a civil ceremony performed Saturday evening at 8 o'clock by Justice of the Peace Helen M. Frisbee in her home, East New Castle. Mr. and Mrs. Clair Shaner attended the couple.

### TRAVEL TALK GIVEN FOR COLLEGE CLUB

College club met Tuesday evening at 8 o'clock in the Jameson Memorial hospital nurses home on Wilmington avenue for its November program with Mrs. James Cole, Mrs. Arthur Brown, Mrs. Mont L. Alley, Miss Gertrude Chapin, Mrs. George Muffley, Mrs. Arthur Walker and Mrs. John Purdy as hostesses.

During business, with Mrs. Dale Mullen presiding, Miss Mary Louise Cleland, Mrs. James R. McGeorge, Mrs. James Mohler and Miss Evelyn Spencer were accepted as new members.

Mrs. Roy C. Williams presented Miss Sara McKee, who spent three years as a secretary at Assuit college, Assuit, Egypt. Miss McKee spoke on her travels in Europe and the Near East. She showed many colorful slides of trips through Holland, France, Switzerland, Italy, Capri, Egypt and Palestine. Miss Mildred Gill assisted her at the projector.

Next meeting will be the Christmas party on December 14 with Miss Mary VanDivort as program chairman.

### A.U.R. SOCIETY ELECTS OFFICERS

A. U. R. Society of Central Presbyterian church, meeting Tuesday evening in the church parlors, elected officers to serve for the coming year, as follows: president, Mrs. Clayton Hofmeister; secretary, Mrs. Roland Peden; treasurer, Mrs. A. T. Sadler; trustee, Miss Maude Mitchell. Miss Mitchell was leader of the evening.

A series of hymns and the Lord's Prayer opened the devotional period. It continued with two piano solos, arrangements of "Just As I Am" and "Sweet Hour of Prayer" played by Miss Clara Ann Bratschie.

An excellent review of the third chapter of the study book, "China: Twilight or Dawn?" was given by Mrs. Robert Meade Patterson. The national topic, "This Side of the Golden Gate" was discussed by Mrs. E. F. Brown. The Mizpah benediction closed the devotional period.

During business, with Miss Fannie Love presiding, a letter of thanks from Dr. Salisbury for a box of gifts sent to his mission school in India was read.

Roll call was answered by a verse of scripture.

Refreshments were served buffet style from a table most attractively decorated in the Thanksgiving motif with bowls of mums and pansies and lighted candles centering the table.

Hostesses were Mrs. Roland Peden, Mrs. A. T. Sadler, and Miss Sara Dambaugh.

Next meeting will be an installation dinner on December 14, with Mrs. Emerson McGuire, Mrs. Paul Shoaf, and Mrs. Walter Shaw as the committee in charge and Mrs. E. L. Thompson and Mrs. E. F. Brown in charge of a gift exchange.

**Rebekah Lodge Plans Event**  
Rachel Rebekah Lodge No. 40 met Monday evening in the I. O. O. F. hall when, with Mrs. Betty Walters, noble grand, presiding, tentative plans were made for a special fund raising event in December.

Announcement was made by Mrs. Viola Nelson, vice grand, of the entertainment committee, as follows: Mrs. Eva Drumheller, Mrs. Pearl Jones, and Mrs. Anna Hawk. At the next meeting, on Monday, November 22, there will be a Thanksgiving covered dish dinner at 6 o'clock to be followed by a social time for members.

### MILES-BENNETT BETHROTHAL TOLD

Mr. and Mrs. Alex Miles, of 3001 Pennsylvania avenue, East Liverpool, O., announce the engagement of their daughter, Jane Miles, to Ralph Bennett, son of Mr. and Mrs. S. E. Bennett, of Wampun. The engagement was revealed at a birthday party given Saturday evening for Miss Miles, and her twin sister, Miss Janet Miles by their grandmother, Mrs. Jacob Eckert, of East Liverpool.

Covers were arranged for 25 at a table centered with red roses. Among guests from out-of-town were Mr. and Mrs. Bennett and Mr. and Mrs. John Eckert, of New Castle.

The bride-elect is a graduate of Geneva College and is a teacher in the Conway schools. Her fiancé graduated from Lincoln high school in Ellwood City and is a teacher in the Conway high school.

No date has been set for the wedding.

### CERCELL-GLANSKY WEDDING ANNOUNCED

Mr. and Mrs. Theodore Glansky, nee Roseline Cerrell, have returned from a wedding trip to Canada and other points of interest, following their wedding in the Madonna church on October 30.

Rev. Fr. Edward Pikulik officiated at the ceremony, using the single ring ceremony. Mrs. Glansky is the daughter of Mr. and Mrs. Emil Cerrell of County Line street, and Mr. Glansky is the son of Mr. and Mrs. John Glansky of Covert road.

For her wedding the bride chose a white satin gown, with sweetheart neckline and leg o'mutton sleeves and full skirt embroidered with seed pearls and rhinestones in a floral pattern. Her fingertip veil fell from a crown of seed pearls and rhinestones, and she carried talisman roses, baby mums and pompons. For something borrowed she wore a necklace of three strands of pearls which belongs to her mother-in-law.

Miss Diane Shomberg of North Braddock, Pa., as maid of honor wore a green satin gown, and carried yellow roses. Bridesmaids Betty LaRocco, Dorothy Monico, Dorothy Cerrell and Judy Glansky, wore rose satin gowns and carried pink roses.

Stanley Glansky served the bridegroom as best man. Ushers were: Andrew Shevitz, Edwin Shevitz, Fred Lang and John DeLorito.

A wedding breakfast was served at the Glansky residence, with the bridegroom's mother, Mrs. John Glansky and her daughter, Mrs. Dorothy Derzypski, pouring. Dinner was served at the Cerrell residence, and later reception was held in the Ecclesian club.

Mrs. Glansky was formerly employed at the DeRosa market. Mr. Glansky is associated with the American Cyanamid company.

They will be "at home" in their newly built home on Covert road, where her many gifts are on display.

### NEWLYWEDS ARE FETED AT SHOWER

Members of the Young Peoples class of Kings Chapel gathered Tuesday evening in the church basement to honor Mr. and Mrs. Kenneth Cannon, a recent bride and groom. The gathering was in the form of a miscellaneous shower.

The evening was spent playing games and in an informal social time.

At a late hour delicious refreshments were served. Mr. and Mrs. Cannon were the recipients of many lovely and useful gifts.

Mrs. Cannon is the former Ruth McQuinn. The two young people were united in marriage in October and are now residing on Adams street.

**Womer-Moore**  
In the home of Rev. R. W. Williamson, pastor of the Presbyterian church at Prospect, on Saturday evening, November 6, at 8 o'clock, Miss Donna Jent Womer, daughter of Mr. and Mrs. Paul E. Womer, of Volant, and Gerald L. Moore, son of Mr. and Mrs. J. R. Moore, of 268 South Market street, New Wilmington, were united in marriage.

The couple's only attendants were Mr. and Mrs. Walter Whitmire, of Butler R. D. 6. Mrs. Moore is a graduate of New Wilmington high school and is employed at the Johnson Bronze Company. Mr. Moore is employed by his father at the J. R. Moore Farm Supply Store, New Wilmington.

The newlyweds have taken up residence with the groom's parents.

## In View Of News Of The World

By J. C. OESTREICHER, INS Foreign Director

Another example of Soviet Russia's determination to keep the top echelon of its gigantic army surrounded by an aura of mystery was written into history.

It was Premier Stalin's unexpected decision to give top billing at the 31st anniversary of the Bolshevik revolution to Marshal Semenov.

This great military leader, who saved Leningrad, Moscow, Rostov and armies, has been out of the public eye since the closing days of the war.

And when any commanding figure in the Soviet hierarchy thus disappears for any length of time, it becomes almost automatic that he has been liquidated or shelved for the "crime" of over-ambition.

Timoshenko's reappearance in the limelight during the huge military demonstrations in Moscow last Sunday is significant for two reasons.

First and simplest, it means that the man who once was called the "Red Napoleon" is alive, free and still of front-rank importance.

Second and more complex is the fact that while Russia claims to have curtailed military expenditure for the sake of industrial rehabilitation, the reactivation of Timoshenko is held by observers to "mean business."

In calling on the Soviet army to remain in "complete military preparedness," Timoshenko was speaking with authority.

And in the most crucial phases of the war between Russia and Nazi Germany, Timoshenko was headed by his troops in a manner that compelled Stalin to use him almost as a "shuttle general," shifting him to whatever front where he was most sorely needed.

This, incidentally, proved to have been the explanation for several previous "disappearances" by Timoshenko during the war years.

Out Of Sight For Weeks

At one time he dropped from sight for weeks and there were rumors that he had been deported or wiped out. Then suddenly an announcement was made that he had been leading Soviet forces on the Romanian front and had just completed the assignment of wiping out 15 entire German divisions between Kishinev and Jassy.

Timoshenko has enjoyed one of the most colorful careers in Russia's military history.

Born of peasant stock in a Besarabian village, Timoshenko was taken from forced labor by the Czarist Army and trained as a machine-gunner.

Rank and file conditions in that army were notoriously bad. Young Timoshenko let his feelings be known by beating up an officer.

There is no reason to think the people of the islands cannot manage to exist on the products of their own soil in normal time of peace. But Alaska must import food or die. The Pacific airlift, expensive as it is, confirms the success of a new type of emergency transport.

## The Parent Problem

By Garry C. Myers, Ph. D.

A FOOLISH EXPRESSION TO USE

Breathes there a soul who has never heard, "You should have known better?" You have heard it. I have heard it. We heard it at six, at ten, at twenty and still hear it at times. It came from those nearest to us—from a parent, grandparent, spouse, other relative or teacher. You and I have been guilty of uttering this doleful expression, and in scolding tones. It may be in a still more cutting form like, "I should think you would have more sense." We don't say it with a purpose to be helpful. The chief reason we say it is to give ourselves a lift while pushing down the other person; it makes us feel better.

Now it might be possible for one to say, "You should have known better," in a way so reasonable that the other person would accept it as reasonable, though highly improbable. Can you remember a time when you welcomed it?

Innocent Remark

Your son or daughter, wife or husband drops, innocently, some remark at the neighbor's and gives away a family secret that embarrasses you. "You should have known better" may be your rebuke. If an older person made the remark he might not have supposed that he was saying anything he should not say. As for younger children, we hardly can hope that they always will, with their limited experience, exercise the caution we might wish. Of course, it may be possible to get over to all members of the family, even to children as young as five or six, that we don't talk with other people about things that especially belong to the family. But when the child does talk of such things we hardly are wise to grow angry and say, "You should have known better."

Another member of the family accidentally breaks some valuable article, has an accident with the car, or sustains injury to himself. Ten chances to one that person will be told, "You should have known better." After making judgments (not necessarily moral in nature), as in trying to meet an emergency or in buying or selling something, a child or adult may be told, "You should have known better." As a rule, a person whose young or old, makes the best judgment he can at the time. Then why should he be chastized for having done his best?

Make A Decision

To every child come many demands for him to make a decision and to act quickly. The important thing in his development is that he make the decision instead of leaving the matter to fate, even if his decision appears to have revealed poor judgment.

Therefore, if we parents wish to guide the child well and win his genuine affection and esteem, we shall not let mere mistakes employ destructive statements. "You should have known better," on the contrary, we shall learn to compliment our loved ones for the good judgments we see them make. We shall celebrate their successes.

And just one to reaffirm your belief in the human race . . . not every one is a so and so . . . there are some mighty fine people in the world. Last week a T/Sgt. from Washington, D. C., came to visit relatives here in New Castle . . . During his visit he lost his bank roll . . . one hundred dollars to be exact . . . not contained in a bill fold but just in a roll . . . A small classified advertisement was placed in THE NEWS . . . today the 100 dollars is back in the hands of the T/Sgt. . . . The soldier's name is James McIlwain and the finder of the bank roll was Mr. Steen . . . we thought some of you folks would be interested in hearing the story and also we are a wee bit proud of the small part our classified ad page played in this everyday drama.

It won't take a whole lot more to push the Community Chest over the top . . . are you satisfied that you have done your part?

After the very fine concert of the Columbus Boychoir . . . many people were heard to say . . . "My but I wish I could sing like that" . . . and "If only we had such an organization here in New Castle" . . . There is such a chance . . . not with boys of the age group such as the Boychoir . . . But a group have gotten together and formed a choir . . . When Bob Duff was in town he directed a group which called themselves the Alumni Choir . . . Mr. Duff is now teaching school in Miami . . . The group, which was made up of former singers in the High School choir, they plan to continue . . . so they have secured Walter Lulkaert to take the directorship.

The ranks were opened . . . now anyone who loves to sing . . . for the enjoyment . . . can now join this choir. Several commitments have been made for the coming Christmas season . . . but there is still need of more members . . . to swell the volume . . . If you are interested or know a friend who might be interested in joining this organization make it a point to attend a rehearsal TONIGHT at 7:30 at the home of Mr. Lulkaert . . . 221 East Meyer Ave. Really this sounds very interesting and a group that is greatly needed in this community.

He was court-martialed, but the Bolshevik revolution broke out fortuitously and Timoshenko was saved for future greatness.

'Savior' Of Russia

The marshal has been called the "Savior" of modern Russia. It is true that he introduced a regiment in the Russian army that was responsible for its ability to hold out where the Germans faltered, stopped and froze.

One of his chief contributions was a process of gradual training whereby the Soviets in the ranks became able to withstand any kind of weather. Outdoor training at all hours and in all conditions, motivated by ice-cold baths and showers. Finally, the Russians became inured to the worst that winter had to offer.

Timoshenko also abolished the ordinary conceptions of arm-chair command. He introduced among staff officers the slogan "Do as I do," which they practiced and then learned to transmit to their men.

His return to the limelight vindicated the opinion of those who always have felt that Timoshenko would be a man hard to dispose of indeed.

## Looking At Life

By Erich Brandeis

An old friend of mine, "Sandy" Sanders, sent me a copy of the weekly newspaper, East Bay News, published in Oakland, Calif., with which he is now connected.

Among his other duties, such as soliciting advertising, he also writes a column called "Under the Clock." It is so named because it is all about doings in the Oakland City Hall, and on top of that building is a giant clock.

It is a nice little paper, but certainly not one which one would look for precious pearls of wisdom. Yet as I went through the pages of the little paper—without any particular thought in mind—an item stopped me.

It was apparently a filler, placed where an advertisement should have been, but which didn't show up.

I don't know who wrote it. Perhaps my friend, Sandy, is the author. Possibly it was cribbed from a newspaper.

This is how it goes: "Keep on talking—about war or anything that worries you. Shut up and you swell up with repressed anger. Soon you are mad enough to fight. So keep on talking."

I laid the paper down and started to think. Did that fellow have something there?

We all know, of course, that talking can cause an awful lot of trouble. Think of the many reputations that have been ruined by gossip. Think of the millions of words that are wasted in political campaigns and Fourth-of-July oratory. But that is one phase of it.

There is another phase. Talking, which can do an awful lot of harm, can also be a safety valve.

You have all seen automobile collisions. Usually nobody is hurt, but a fender is bent or a bumper is bumped off.

What happens? The drivers of both cars get out. They shout. They accuse each other. They holler for each other's license.

They threaten with suits, with arrest, with mayhem. They pull out pencils and paper, write each other's name, address and license number down, clamber back into their cars and . . . and nothing happens.

The only time I was ever sued by a man with whom I collided, he didn't say a word.

He got out of his car, took down my license number from the plate, got back in and drove off.

But three days later I was served with papers.

So don't be disgusted when you read about that arm-waving and mutual insulting at the United Nations.

You can't shoot off a gun while you wave your arms. And barking dogs don't bite—at least not while they bark.

## Washington Calling

(By Marquis Childs)

## Fallacy Of "Mass Man" Shown

WASHINGTON, Nov. 10.—You can find a great many people now in the aftermath who knew it all along. The taxi driver, the housewife, the newspaper vendor on the corner, they all had a feeling, a hunch, that it was going to come out the way it did.

Their hunch was undoubtedly related to their own predilection for the Democratic candidate rather than the Republican candidate. That choice was slowly and cautiously and even secretly formulated as the weeks of the campaign went by.

These people didn't talk very much about their choice. And each one seems to have had the idea that he or she was pretty much alone, going against the trend as shown by all the polls and the "experts."

The cocksureness of the poll-takers and the so-called experts overruled them except in that moment of ultimate privacy when the citizen steps in the polling booth and is alone. Now these same people are taking a quiet satisfaction in the overthrow of almost everyone who had for so long been telling them what they were thinking and why.

Creating A Mass Mind

That, in my opinion, is one of the healthiest things about the political upset of last Tuesday. It undermined the tyranny of the poll-taker and the arrogant expert prone to using the most revolting of all phrases, "the little people."

The trouble with this theory is that it doesn't hold water. Movies tailored to the mass man are not getting audiences. So many radios are silent these days that the industry is worried.

The fact is that the mass man is a myth just as "the little people" are an insufferable and condescending myth. They are created by those who insist on talking down to a mass audience. We are a people of widely diversified interests and convictions. Entertainers and politicians have grossly underestimated the range of response.

One of the reasons for last week's upset was, I believe, a resentment of the "papa knows best" attitude of the bosses of the influence industry. Candidate Dewey seemed to come too close to being a product of this same influence industry as directed from Hollywood and New York. He appeared to be a careful political assembly job, made up of the elements that would please the mass man and with anything likely to displease him deliberately left out.

Too many of us who try to appraise trends talk to the bosses of the influence industry. We would do well to talk with others who live farther away from New York and Hollywood such as Ellis Aronson.

But I don't know how far a jury would go along with a defense of habit formed by environment.

Anyway he is assured of as fair a hearing as he ever gave a witness.

## Gossip Columns Galore

By PAUL GALICCO

New York has more gossip columns running in its nine major newspapers than any three or four other cities put together and for this you who do not live here are probably to be congratulated—I mean for not having them. For as an invertebrate and delighted reader of all of them I am nevertheless forced to the conclusion that life inside them must be a restless and wearing affair.

True Love, for instance, has itself a heck of a time. It can get itself recorded as a beginning romance, a further note that So-and-So and pretty Miss Whositis are a steady duo, a line in bold-face type when the affair has culminated in marriage and after that, goodbye. Bride and groom vanish into the horrid limbo of anonymity which is the particular hell reserved for the inmates of the Pillars of Gossip.

Imminence Of Junior's Arrival

True, the imminence or arrival of Junior is worthy of an item to go into a column dweller's scrapbook. But thereafter if the course of wedlock runs smoothly and Mama continues to love Papa and vice versa they are relegated to the outer darkness. Not until one or the other is "readying an announcement," or is "Reno bound," or is rumored by their friends to be "on the verge," etc., etc., can they expect to bask once more in the sunlamp of metropolitan newspaper fame.

To win a steady play in the various turrets of type, I note that it is necessary to "switch" constantly from one lovely to another. The favored note is that Johannes Doakes has switched from beautiful, Elaine Blonde to gorgeous Amarrilys Redhead.

Looks Fairly Attractive

On the face of it, this might look like a fairly attractive proposition to you, but, brothers, it takes a full poke and an extraordinary amount of patience to live like that. No sooner does a gent become accustomed to the night-club manners and the nature of the particular vacuum behind one beautiful face, when, in order to maintain his standing in the Switchers Club and get his accustomed space in the columns, he must shift to another doll and start all over again. And that's work. And it calls for a pile of dough.

No quiet evenings at home with the old carpet slippers and newspapers, no soothing companionships with a lady who has learned his ways somewhat and is prepared to make excuses for them, no relaxed moments. Just a dreary round of dreary places in the company of one beautifully gowned, fashionably coiffed, exquisitely painted and put-together nitwit after another. If he marries her he is doomed two ways. He has her on his hands and he is out of the columns.

Life Not Quite That Simple

But life is not even quite that simple in a town that supports so many journalists eager to fill their allotted space with the reports of the affairs of these restless, unfortunate people. Sometimes in the rush of business it is possible for the columnists to fall a couple of switches behind, or in their need for copy, dream up one or two ahead.

Thus on the same day you will read in one paper that Jonathan Doakes who was carrying the torch for the beautiful Mary Spiegelfeliger is now wearing the gorgeous Jane Witternitter on his arm. And in another that this same Jonathan Doakes who recently puffed with gorgeous Jane Witternitter has popped the question to lovely Helen Falschwalze.

Needs Some Explaining

No matter what Jonathan is really up to, now he is in for it. Mary, Helen and Jane are all off him and chances are by the time the items appear he has already opened negotiations with a new number and she will be good and sore over not receiving so much as honorable mention. The amount of explaining he has to do is harrowing to contemplate. There are also soothing presents involved. If you think that is an easy kind of life, just you try it some time.

Also you go on record with such items as, "Jack Doakes has gifted Thelma Storkorocco with a pearl necklace, a star sapphire, a sable wrap and a new Rolls Royce." One month and they phitft. He "shifts" and now it's Mabel Barstall. Don't think that Mabel hasn't got the exact list of what it was Thelma got herself gifted with. She's going to have all that and doubled in diamonds. I tell you, it's a bitter existence. I dunno how they stand it.

### A SECOND APPEARANCE FOR OLD SWEATERS

Now is the time to look over the  
family's wool sweaters and other  
knit woollens. Nearly every house-  
hold has a sweater or two that is  
ready to discard—faded, worn on  
elbows, stained under the arms,  
or torn and moth-eaten.

Examine these garments care-  
fully, and if the materials are good  
they can be made into new attrac-  
tive ones. Sometimes two garments  
can be used together to make a  
child's suit. Others are large  
enough to allow cutting a smaller  
new garment. Then some will need  
to be combined with some new  
material.

If the old garments were not put  
away clean and mended, that work  
will be the first step, following the  
usual procedure for washing  
woolens. Material which looks dull  
and faded may be redyed in the  
same color, or light colors may be  
dyed darker shades. Follow directions  
on the package of dye.

Knitwear which has been laun-  
dered several times is not likely to  
travel, so it may be cut as any other  
material. If loosely knit, machine-  
stitch close to the edge before or  
just after cutting. If the knit is  
heavy for making a seam, first ma-  
chine-stitch the cut edges and cover  
them with single crochet. Then join  
these edges by simple over-  
handing or crochet. If plain seams  
are used in lightweight materials,  
keep the edges from fraying by  
holding them together and cover-  
ing with blanket stitching or cho-  
chet. Another way is to open the  
seam, press, and stitch on the right  
side, close to each side of the  
seam.

For heavy, bulky seams, press  
the seam open, machine-stitch  
each edge then overcast or cross-  
stitch to the garment.

A few suggestions for wool knits  
may be helpful: Wool sweaters,  
good but faded underwear—

1. Cut a dress for small girl.  
Neck opening may be machine-  
stitched, then finished with single  
crochet. Use this at bottom edge of  
skirt. Ribbing may be used for  
yoke and cuffs. Another use is to  
recut into a cardigan, or a waist-  
coat to wear under suit.

2. Use two sweaters to make suit  
for a small boy. Dye so as to have

light shade for jacket and dark  
for trousers.

3. Wool sweater of light color,  
make into pair of baby soakers.  
Ribbed banding may be used for  
finishing the legs, and the top is  
finished with chochet.

4. Wool sweater too small will  
make a nice sleeveless sweater.  
Finish edges with chochet.

5. Small articles like caps, mit-  
tens, gloves, and scarf may be  
made from old sweaters or bath-  
ing suits.

Further information may be ob-  
tained from Extension Circular—  
"Simple Rules for Hand Launder-  
ing," and a leaflet on mending  
wool garments, which are both  
available at the Agricultural Ex-  
tension Association office, No. 208  
Post Office Building, New Castle.

## Russia Is Boosting Her Rubber Imports

Commerce Department Reports  
Unprecedentedly Accelerated  
Rate By Soviet

WASHINGTON, Nov. 10.—(INS)  
—The Commerce Department re-  
ported today that Russia is increas-  
ing her imports of rubber at an  
unprecedentedly accelerated rate.

Commerce officials estimated  
that the Soviet has progressively  
increased her imports to the point  
where they are now about nine  
times greater than during the first  
nine months of 1947.

Latest commerce figures show  
that the U. S. S. R. received—  
mostly from Malaya—about 18,000  
tons of rubber in October. This  
compares to an average of about  
2,000 tons monthly during the first  
nine months of 1947.

World consumption of rubber is  
at a post-war high but the new  
peaks attained by Russia are con-  
sidered to be far above the av-  
erage.

#### Marked Jump

The marked jump in Soviet rub-  
ber imports began in the last three  
months of 1947. Shipments during  
each of these months more than  
trebled the 2,000-ton monthly av-  
erage for the first nine months.

During the first half of this  
year, Soviet imports receded  
slightly to only a little more than  
double the first half monthly av-  
erage in 1947.

But during July, August and  
September, Russian rubber im-  
ports boomed to an average of  
15,000 tons a month.

Commerce officials estimated  
that the Soviet Union received  
about 16,000 tons in September  
and then shot up its demands to  
18,000 tons in October for unex-  
plained reasons.

A spokesman said that figures  
are not available on whether Rus-  
sia is adding the rubber to her  
stockpiles or consuming it in war  
industries. But both her September  
and October rubber imports were  
nearly 12 per cent of total world  
consumption.

The import rate for the Soviet  
Union is still only about one-third  
of U. S. production and consump-  
tion, however.

## September Report Of Exports From U.S.

WASHINGTON, Nov. 10.—(INS)  
—The Census Bureau reported to-  
day that United States exports in  
September totaled \$2.6 billion and  
one-half million dollars—about 62 mil-  
lion less than in August.

The bureau attributed the de-  
cline to smaller export shipments  
under the Army civilian supply  
program.

For the same period, the bureau  
said U. S. imports fell from \$98  
million 400 thousand dollars to  
\$58 million 200 thousand.

The report explained that the  
export figures include Marshall  
plan shipments and other ship-  
ments under U. S. foreign relief  
programs.

The bureau added that exports  
during the first nine months of  
this year were 19 per cent below  
the same period of 1947 while  
general imports were 24 per cent  
above the 1947 level.

#### TO RETIRE CRUISER

WASHINGTON, Nov. 10.—(INS)  
—The Navy announced today that  
the light cruiser Dayton will be  
retired to the mothball fleet.  
The Dayton served with the  
Third Fleet in the Pacific, taking  
part in the final bombardment of  
Japan. She was built with funds  
subscribed by the citizens of Day-  
ton, O., through purchase of war  
bonds.

One look!...  
One ride!...  
You'll know it's...  
**the modern design for '49**  
**new Hudson**

Come in, see the car that's years  
ahead—drive the New Hudson—  
experience the amazing rideability,  
comfort and safety of the only car  
you step down into!

Here's your chance to get the thrill of  
a real discovery—to see and feel what  
one of the great advances in motor-car  
history offers you.

You'll see a Hudson of distinguished,  
streamlined beauty and low-built sil-  
houette that is instantly recognizable  
because it is the natural result of a ba-  
sically new design principle—a principle  
that puts this car so far ahead it is a  
protected investment in motor-car value!

The key to this new design principle is  
a recessed floor. The New Hudson is the  
only car you step down into!

By using a "step-down" zone in an exclu-  
sive, all steel Monobilt Body-and-frame,  
Hudson achieves the lowest car on the  
highway—only five feet from ground to  
top—while maintaining more head room  
than in any mass-produced car built today!

But no amount of looking at this amaz-  
ing car—beautiful as it is—can equal the  
thrill of a Hudson ride! And you are  
invited to enjoy that ride today!

Hudson has a smooth, hug-the-road way

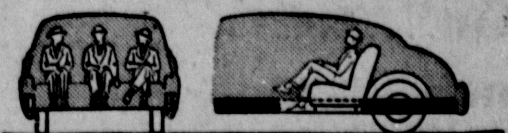

of going in cross-winds and on every con-  
ceivable kind of highway. When you see  
the way it takes even the sharpest curves,  
you'll know once again that this car has  
"The modern design for '49"—and for  
years to come!

Hudson's remarkable ride is largely due  
to the fact that its "step-down" design  
provides the lowest center of gravity in  
any American stock car—yet road clear-  
ance is ample! It is a widely recognized  
fact that the lower to the ground a car  
can be built, the more stability it will  
have and the safer it will be.

You sense a delightful conformity to the  
road the minute you begin your ride,  
and this stability, plus the protection of  
riding encircled by a sturdy box-section  
steel frame, is a grand experience in  
serene, safe well-being.

This grand feeling is further heightened  
by the remarkable ease with which this  
car is controlled. You enjoy this  
generous roominess in complete  
relaxation as the New  
Hudson glides smoothly along.

We cordially invite you to see  
and drive the New Hudson, to  
thoroughly enjoy the ride that  
comes only with "The modern  
design for '49!"

HUDSON FLOORS are recessed down within the frame (as shown  
above), seats are lowered, so you get more than ample head  
room in this car with the new, lower center of gravity.

YOU RIDE DOWN within a box frame (as shown above);  
and rear seats are positioned ahead of the rear wheels so that  
full body width becomes available for wonderfully roomy seats.  
Box-section steel girders completely encircle and protect the  
passenger compartment.

TRY AUTOMATIC GEAR SHIFTING in forward speeds as provided  
by Hudson's Drive-Master transmission—by far the easiest of all  
ways to drive. You can accelerate as long and as fast as you  
like in pick-up gear, then lift your foot momentarily, and you're  
in high. The shift into high comes only when you are ready!  
Button control on the instrument panel provides instant change  
to conventional driving if ever desired. Drive-Master trans-  
mission is optional on all New Hudsons at small extra cost.

## Seeks Continuation Of Steel Allocations

WASHINGTON, Nov. 10.—(INS)  
—Commerce Secretary Sawyer to-  
day invited the nation's top steel  
executives to discuss full-scale con-  
tinuation of the voluntary alloca-  
tions programs after their Febru-  
ary 28 expiration date.

Sawyer asked industrialists to  
meet with government officials on  
November 19 and take up several  
new allocations programs.

The voluntary plans, designed to  
channel steel and other short-sup-  
ply items into only the most essen-

tial uses, were authorized by the  
80th Congress.

Although the law expires at the  
end of next February, the steel  
men already have agreed to con-  
tinue allocations for the armed  
forces, the Atomic Energy Com-  
mission and the National Advisory  
Committee for Aeronautics.

**RUBBER PRODUCTION HIGH**

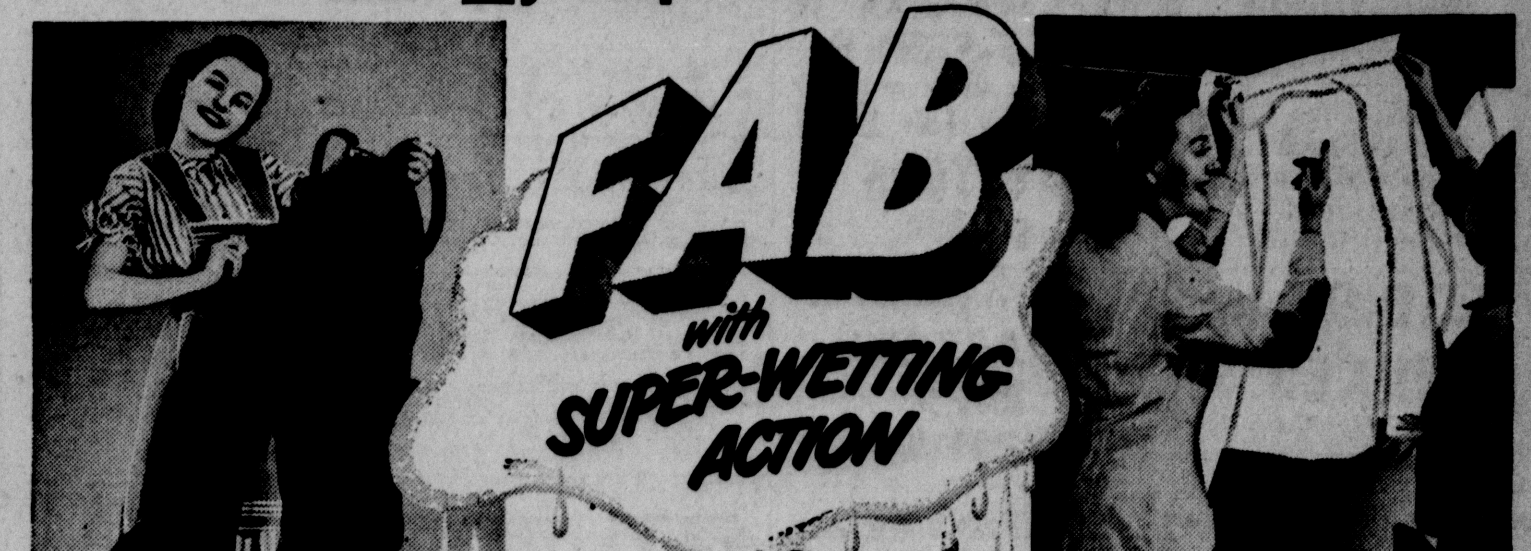

WASHINGTON, Nov. 10.—(INS)

—The Commerce Department re-  
ported today that world produc-  
tion of natural rubber reached an  
all-time high of 145,000 tons dur-  
ing September.

The record figure was nearly  
14,000 tons a month above produc-  
tion in each of the three previous  
months.

Iron ore from the Lake Superior  
region is used for about 85 per cent  
of U. S. steel and iron production.

#### Road Notice

Supervisors and all others interested  
will take notice that the report in the  
following cases will be presented to the  
Court of Quarter Sessions of Lawrence  
County, Pennsylvania, for confirmation  
on Wednesday, December 8, 1948 at  
1:30 P.M. of said day:

No. 2 SEPTEMBER SESSIONS, 1948  
R.B. Viewers return for public use  
the following described road located in  
Union Township, Lawrence County,  
Pennsylvania:

Beginning at a point on the center line  
of Cameron Avenue, the center of said  
road as laid out being the center of a  
private road known as Pearl Street  
and said southern terminus being  
South eighty-six (86) degrees fifty (50)  
minutes West, a distance of one thousand  
and one hundred ninety-six and five  
tenths (1196.5) feet from the intersection  
of the center line of Cameron  
Avenue with the center line of Matilda  
Avenue; thence North three (3) de-  
grees ten (10) minutes West along the  
center line of Pearl Street, a distance  
of two hundred five (205) feet to a  
point; thence North six (6) degrees five  
(5) minutes West along the center line  
of Pearl Street, a distance of one  
hundred sixty and twenty-eight hun-  
dredths (160.28) feet to a point; thence  
North one (1) degree thirty-three (33)  
minutes West by the center line of said  
Pearl Street, a distance of four hun-  
dred ninety-nine and ninety hun-  
dredths (499.90) feet to the center line  
of West Washington Street.

Width of said road is fixed at 40  
feet.

Said road would cost about three  
hundred (\$300.00) dollars; about one  
hundred (\$100.00) dollars for filing  
which the petitioner, Harry V. Brown,  
has agreed to pay and about two hun-  
dred (\$200.00) dollars for improvement  
of the road which should be borne  
by the township.

No. 4 SEPTEMBER SESSIONS, 1948  
R.B. Viewers return for public use  
the following described road located in  
Union Township, Lawrence County,  
Pennsylvania:

Beginning at the northerly terminus  
thereof at the intersection of the cen-  
ter line of the Harbor Road with the  
center line of Highland View Avenue  
as laid out in the Harbor Terrace Plot  
as recorded in the Recorder's Office of  
Lawrence County, Pennsylvania, in  
Plot Book Volume 5, page 8, which  
said terminus is 1609 feet in a south-  
easterly direction along the center line  
of said Harbor Road from its inter-  
section with the west line of State  
Highway Route No. 422 as now located;

#### Sealed Bids For Union

#### Township School District

#### Bonds Requested.

The Board of School Directors of the  
School District of the Township of  
Union, in Lawrence County, Pennsylv-  
ania, hereby requests sealed bids for  
twenty-five (25) general obligation  
bonds issued by said District for build-  
ing construction purposes, of the par  
value of One thousand (\$1,000.00) Dol-  
lars each, dated November 1, 1948, bear-  
ing interest at the rate of three (3)  
per centum per annum payable semi-  
annually.

Said bonds are coupon bonds and  
may be registered as to both principal  
and interest and are free from Pennsylvania  
state taxes, except succession or in-  
heritance taxes, and are payable in a  
series as follows: Two (2) bonds on  
November 1, of each year from 1949  
to 1950 inclusive, and one (1) bond on  
November 1, 1951, but all bonds payable  
after November 1, 1951 may be called  
and paid at par on November 1 of the  
several years subsequent thereto prior to  
maturity.

Said bids must be in the hands of  
Fred H. Vannatten, Secretary, New  
Castle, Pennsylvania, R.D. No. 1, not  
later than the 8th day of December,  
1948, at 7:30 o'clock P.M. Eastern  
Standard Time, and if sent to him by  
mail, the receipting bid before 6:30  
o'clock P.M. of the same day will be  
the bid, but same may be presented  
at the meeting of the Directors held  
the same day, not later than 8 o'clock  
P.M. Eastern Standard Time, at which  
last mentioned time said bids will be  
opened at the meeting which will be  
held in the high school building of  
said Township on Scotland Lane.

Each bid must be accompanied by a  
certified, cashier's check, or bank  
treasurer's check, in the sum of One  
thousand (\$1,000.00) Dollars, payable  
to said District, which will be for-  
feited to the said District to the extent  
that it suffers loss by reason of the  
failure of the successful bidder to take  
up said bonds and pay for them within  
ten (10) days after notice to him that  
the proceedings for the issue of said  
bonds have been approved by the De-  
partment of Internal Affairs of the  
Commonwealth of Pennsylvania.

FRED H. VANNATTEN, Secretary.

## Veteran Gold Miner Delights Executives Club

Harold Hilde Gives Humorous Account Of Adventures In Alaska

Executives Club members and their wives were delighted with the quaint humor of Harold Hilde, veteran Alaskan gold miner, who recounted his adventures as a youth in Norway, and in the Alaskan gold mining territory, when he addressed the club at its monthly dinner meeting in The Castleton, Tuesday evening.

Mr. Hilde had plenty of excitement as a youth, when he sailed on a whaling ship while still in high school, spent 18 months on an expedition to the island of Spitzbergen, within the arctic circle, and was marooned over winter on Greenland, where he went with a group on a relief mission.

Coming to America, he went to Alaska and found gold, made a comfortable little fortune, and now spends his time in a leisurely manner.

There is plenty of opportunity in Alaska for those who are willing to work, he stated. With a territory larger than the state of Texas and the New England states combined, it has only a population of 130,000, so there is lots of room there.

Young men can secure timber claims for nothing, there is also splendid opportunity in the fishing business, but agriculture means hard work. The Matanuska Valley settlement was not a success, but there are good gardening spots in other locations, and this year for the first time, Alaska is self-supporting in its yield of potatoes.

President Orville Flora called on Dr. E. F. Henderson to introduce the speaker, and announced that the next meeting would be on December 2, with Malcolm Rosholt as the speaker. His subject will be "The Truth About India and China."

Mr. and Mrs. A. Dewey Shifflett, Mr. and Mrs. Frank Moorehead and Attorney and Mrs. Roy Hazen were named as hosts for this meeting.

## Alleged Intruder Is Under Arrest

Edward Barris, 58, of Francis street, was being held by police in the city jail today, having been reportedly captured after having been in the home of Alex Palumbo at 1917 Hamilton street, at 1:55 a.m. today. According to the police report Barris was intoxicated. He had thrown away in the Palumbo's yard, a man's coat and woman's dress from the Palumbo home.

According to police, Palumbo heard a noise downstairs, investigated, and saw a man he identified as Barris, run through a rear door.

When Policemen Davis and Te-well arrived they found a son of Palumbo and Barris arguing. Barris was arrested.

Chief of Police Robert D. Hanna stated he would swear to a charge of burglary against Barris.

## Armistice Dinner To Be Held Tonight

Started Shortly After World War One, Has Continued Every Year Since

Tonight is the night of the annual Armistice dinner of all veterans of World War One and Two. Attorney Walter A. Kleier is the general chairman of tonight's dinner and said today a crowd is expected although there are still some tickets available at the Castleton Hotel. The dinner will be in the hotel.

The dinner was started shortly after World War One as a night to

get together and swap yarns about war experiences. Some of the vets of World War Two who will be present tonight were not even born when the dinner was started. George Smith, a Purple Heart veteran of World War One, is the toastmaster and former sheriff Edward D. Pritchard is in charge of the program.

**REPORTS \$125 MISSING**  
George Clark, age 73, of English avenue, purchased a bus ticket at the bus station shortly after noon, Tuesday.

He put \$125 in a pocketbook, which he placed in a trouser's pocket.

Mr. Clark left the station and sat down on the wall and when he searched for his money discovered it missing, he told city police.

## Football Film Seen By Foremen

Ambridge-Ken High Pic-  
tures Show None Of Foul  
Play Charged—Seen  
By U.E.F. Fore-  
men

If Ambridge High school's foot-  
ball team played an unnecessarily  
rough game against New Kensington,  
as has been charged, the evi-  
dence of it is strangely lacking in  
the motion pictures of the game.

Head Coach Moe Rubenstein and  
Assistant Coach Joe Hiltz of the  
Ambridge team showed the pictures  
to the United Engineering and  
Foundry Company's Foreman's  
Club at its monthly dinner meet-  
ing in the New Castle Country Club.

**Rugged, But Fair**  
After seeing the pictures this  
writer strings along with Harold  
Burry, a former local star who  
was one of the officials of the  
game, when he said, "This was a  
hard game but a fair one. The  
tackling was hard and the blocking  
the same but in my view there was  
no intentional roughing by either  
team. It was a game between two  
fine high school teams, each of  
them keyed to the straining point  
and each of them determined to  
win."

The pictures bore out Mr. Burry's  
summation of the game. There was  
no piling, although once or twice  
more than the necessary number  
of players were in the play, due  
probably to the inability of tack-  
lers to stop when the runner was  
downed. But as to foul or dirty  
play, none was discernible on  
either side. Time and again the  
film was reversed to show situa-  
tions which looked the least bit  
suspicious.

Willie Thrower, New Kensing-  
ton flash showed himself to be as  
good as advertised and for Am-  
bridge a back named Pribulsky  
stood out. He is the son of a former  
well-known New Castle sports-  
man, "Red" Pribulsky.

Rubenstein Speaks

Prior to showing the pictures,  
Moe Rubenstein spoke to the fore-  
men. Said he, "I knew nothing of  
any charges of dirty playing until  
Sunday following the game. Imme-  
diately after the game I walked  
over and congratulated Paul  
Fletcher, New Kensington coach,  
and he did the same to me. Later  
the faculty manager came over  
and talked about a contract for  
1949. The boys shook hands with  
each other, the crowd cheered  
after the game was over and I  
thought we had merely lost a hard

clean game. The charges of dirty  
playing were a surprise and disap-  
pointment to me for while I coach  
my boys to play hard, I also insist  
they play a sportsmanlike game.  
Ambridge doesn't have to win  
games any other way."

Coach Rubenstein said one thing  
Tuesday night which the foremen  
will remember at least until the  
Decisions Committee of the W. P.  
I. A. L. meets. Said he, "Don't be  
too surprised if New Castle is not  
in the W. P. I. A. L. playoff this  
year. The point system is the  
answer. Every time I think of it I  
want to kick somebody in the  
pants. Time and again fine teams,  
that have the class to play for  
the championship, are out of it  
because of the vagaries of the  
point system."

He also made a significant state-  
ment when he said, "I am afraid  
the day is coming soon when foot-  
ball will have to go back to the  
kids. Not because of the coaches  
but because of the two-bit gam-  
blers who are the bane of the  
game and of the coaches' life."

Rubenstein was a member of  
the Geneva squad when Bill Klee,  
of the Senior High school, was a  
star for the Covenanters. He re-  
called some amusing incidents of  
his own football career and proved  
to be an entertaining speaker.

Assistant Football Coach Bill  
Klee of the New Castle team,  
spoke and told of the difficulties  
of scheduling teams when you  
have a good squad. Cross Country  
Coach Austin Cowmeadow told of  
his barriers winning the W. P. I.  
A. L. cross country at Alameda  
Country Club last Friday and was  
high in his praise of the boys. Said  
"Austy", "It takes courage and  
determination for a cross country  
team to come through a winner of  
a course as hard as Alameda. Our  
boys won it in the last 300 yards  
of up hill running. Twenty years  
from now those same boys will be  
making good in their chosen ca-  
reers for they have courage."

President Sidney Turner pre-  
sided at the meeting and intro-  
duced Stan Daniels as the chair-  
man of the entertainment com-  
mittee. The meeting was one of the  
most enjoyable held in some time.

## WASHINGTON CALLING

(Continued from Page Four)

naul of Georgia, who wrote an  
article in the September Atlantic  
monthly called "The Democrats  
Can Win". It reads like the kind  
of hindsight now being so volumi-  
nously put forth.

**Changes Needed**

This seems to me a serious mat-  
ter calling for something more  
than a joke about eating crow. It  
indicates a major flaw. The mass  
man does not exist today. But if  
the American public with all its  
varying interests, desires and sen-  
sibilities, is treated like a one-  
track, mass mind, then in time  
that may become the reality. And  
the mass mind, as has been point-  
ed out, implies a master, a dicta-  
tor, who will tell the mind what  
to think.

Some changes are in order, cer-  
tainly changes in attitude. Let's  
not forget the noisy commentators  
who a short time ago flatly pre-  
dicted that World War III would  
be under way by November 1.  
This may be what is called "show-  
manship." It may help to get a  
"mass audience" which sits be-  
fore the radio waiting to be told  
what to feel what to do.

But it destroys the confidence  
of the public in press and radio.  
And even more important, it may  
contribute to the mass mind, the  
robot, that refuses to think for  
itself.

**RIVERS DISCOVERED**  
**MOSCOW**—Three heretofore  
unknown rivers have been discov-  
ered in Siberia. A Tass dispatch  
from Leningrad related how an ex-  
pedition of scientists headed by  
Prof. A. A. Fedorov of the Bontan-  
ical Institute of Sciences penet-  
rated 700 kilometers of Siberian  
forest trails to find the rivers.  
They were all in the little explored  
central mountain range of the Say-  
ansky mountains. In addition to  
the rivers the scientists found four  
large glaciers and several large  
and deep lakes rich in fish.

### CAVITIES

Dentists tell us about the impor-  
tance of proper care of the teeth.  
They advise that even the small-  
est hole should be filled right  
away to save the tooth.  
There are other kinds of cavities  
that are caused by disease.  
Tuberculosis causes cavities in  
the lung. Sometimes these cavi-

ties get larger and larger until the  
condition is hopeless.

The best way to treat tuberculo-  
sis is to prevent it.

Skin tests and X-rays help to  
find tuberculosis before these cavi-  
ties have formed.

People who have ever come in  
close association with a person hav-  
ing tuberculosis should have all  
these tests. If necessary these  
tests are all given free of expense.

Books keep best in tightly closed  
cases, away from dust and mois-  
ture. Book shelves should be lo-  
cated where sunlight from windows  
does not shine on the books.

## Army To Inform Draft Eligibles On Enlistments

Selective service calls have narrowed down to the 23-year-old group, according to information from the New Castle U. S. Army and U. S. Air Force recruiting main station.

Captain Charles E. Weddle, commanding the recruiting main station, stated today that pre-induction physical examinations are being administered by the recruiting main station to men averaging 23 years of age. It appears that local boards will send some men 22 years of age for pre-induction physicals in December, 1948.

The captain, in releasing this information, also stated that due to numerous inquiries concerning voluntary enlistment the local recruiting station would endeavor to contact men below the 23-year-old bracket in order to acquaint them with the opportunities connected with volunteer 21-month enlistment period.

Captain Weddle pointed out that at the present time the men who are volunteering, are doing so with an eye to the future. He explained that these men feel that by completing their service early, they can return to civilian life and have little difficulty in procuring jobs or being accepted for college education because they will be discharged prior to the mass discharge bulk of the selective service inductees who enter the army between January and June of 1949. Further details about the opportunities offered by the short enlistment period may be obtained at the U. S. Army and U. S. Air Force recruiting main station, Room 400, Frew building or at the recruiting station, Room 202, Post Office building, New Castle, Pa.

STOCK MARKET  
TREND IS LOWER

Market Is Irregular During Trading Of Morning Hours In New York

NEW YORK, Nov. 10.—(INS)—Stocks drifted irregularly lower today.

Volume hit the 2½ million share level in the first hour, but dwindled later as traders took to the sidelines to await some definite trend following yesterday's severe shakeout.

Prices were fairly well mixed at the opening with some of the favorites, such as U. S. Steel, General Motors, RCA, Santa Fe, Southern Pacific and Bethlehem, slight fractions higher.

These failed to withstand slight pressure shortly before noon when the entire market eased.

Gas Ignites As  
Pipe Is Drilled

Fred Specht, of 1705 Highland avenue, was burned about the face, when gas ignited as he drilled through the gas line near the gas meter about 4 o'clock, Tuesday afternoon. Firemen played water on the surrounding wall until employees of the gas company came and turned off the gas at the curb. No fire damage resulted, but Mr. Specht had to have first aid treatment, which was given by Firemen John Oberleitner.

Earlier in the afternoon, firemen were called to Hamilton street extension, where a small fire was found in the back seat of a car owned by Elias Jackson, of 16 Robinson street.

## Almira Home Loses By Court Decision

State Supreme Court Rules Bulk  
Of \$100,000 Estate Will Not  
Go To Home

SHARON, Nov. 10.—Judge George H. Rowley has learned that his decision in a test case on a question never before submitted to any Pennsylvania jurist has been affirmed by the State Supreme Court.

The case involved the right of the Almira Home in New Castle to receive the bulk of a \$100,000 estate willed to it by John C. Koehler, Cleveland bachelor, who died Jan. 10, 1947. Mr. Koehler was a brother of the late F. W. Koehler of Sharon, who was proprietor of a jewelry store here and president of the McDowell National Bank from 1913 to 1933.

Judge Rowley ruled that, because the Cleveland man died only 27 days after making his will on Dec. 14, 1946, that the home's claim was void. He said Pennsylvania law stipulates the maker of a will bequeathing a sum to charity must be alive for 30 days after writing the will.

The decision of the local judge, upheld by the higher court, declared that the ownership of the premises is vested solely in three Warren, O., relatives—Lillian Anderson, Grace Watwood and Edith R. Waldeck. The decision says the partition is subject to a provision in the will which left one-half of the income from the property to a friend, Michael Molnar, Jr., of Cleveland, during the latter's lifetime.

Among Mr. Koehler's holdings was the two-story building in Sharon at 109 East State street.

Check These Expensive Features:

**AM and FM RECEPTION**—conventional radio broadcast and the miracle of static-free FM. Superhet circuit and automatic volume control.

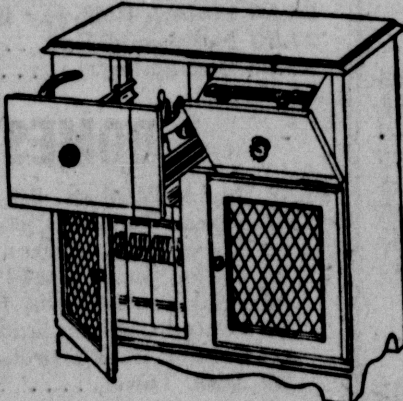

**INTERMIX RECORD CHANGER**—plays ten twelve-inch or twelve ten-inch records or the equivalent amount intermixed. Shuts itself off after last record.

**SYNTRONIC REPRODUCTION** brings you record reception that is practically flawless. Syntronic tone arm is a Silvertone exclusive.

**GIANT RECORD STORAGE** area holds up to seven albums (84 records) in concealed compartment. The albums, shown here, priced extra.

**CHOICE OF CABINET FINISH**—smart 18th Century lowboy design in choice of beautiful mahogany or walnut finish hardwoods.

Yes... check the features—then be amazed at the low Silvertone price! No other combination of first rate features is offered at such a low price. This is a full size set—and we've cut no corners to pack it with those features found only in much more expensive radio-combinations. See this great set at Sears today!

**TILT-OUT RADIO DIAL** brings the controls to a convenient operating level. The continuously variable tone control plus the 8-inch dynamic speaker with oversize permanent magnet assures you of a deep, mellow tone. It's approved by Underwriter's Laboratories.

### Shenango School Electrical Bids Held For Study

Shortage Of Bricklayers Hampers  
Construction Work At Shenango High School

Bids for the furnishing and installation of lighting fixtures in the new addition to the Shenango township high school were received Tuesday evening by the Shenango school board.

Only two bids were presented to the board, that of the Bruce & Merriels company and that of the Marvin Electric company with only \$106 difference between the two bids. The latter company did not have samples of the proposed installations on hand, thus awarding of the contract was withheld until next week with a decision to be made at that time.

Due to a shortage of bricklayers, progress on the building proper has been delayed, it was reported by the contractor today. Sufficient material is on hand to complete the project but the need has arisen for more bricklayers if the building is to be occupied by early next year.

The addition will add eight badly needed school rooms to the Shenango school thus eliminating outmoded portable buildings which are in use now.

### ACCEPTS POSITION WITH RED CROSS

### THE FAMILY SCRAPBOOK

By Ernest G. Osborne

WHY NOT TRY THIS?

**An Adjustable Meal**

Most parents like the idea of the family sitting down together at meals. Now and then it may be desirable to make an exception. An adjustable meal Saturday noon, for instance, is much more likely to meet family needs.

Johnny is attending a scout troop meeting and may be late. Dad would like to have something to eat a little early, for he has plans for bowling or golf. Mary Ann doesn't want to eat too much since

she and the girls are having a party in the early afternoon and there is the promise of lots of "eats".

Whether this is the picture or not, many families have found that to have soup on the stove or hot chocolate, some cold food, tasty leftovers, a simple salad, makes it easy for each member of the family to get his own lunch at the time most convenient for him.

## There's Only One U. S. Marine Band

Many Bands Have Tried But None Quite Made The Marine Standard

There's only one Mount Everest. And there's only one United States Marine Band. New Castle welcomes it back on November 16, when the Optimist Club presents it for the benefit of their work with boys.

"From the Halls of Montezuma to the Shores of Tripoli," "The Stars and Stripes Forever," John Philip Sousa. The White House lawn on a balmy June night. All of them indelibly a part of the Marine Band.

The history of the Marine Band has come along hand in hand with the history of the United States government. Known as the "President's Own" it has had the proud distinction of playing for the President on special state occasions for over a century.

This isn't the first time the Marine Band has come to New Castle and it should not be the last. Just to hear those military musicians play the "Stars and Stripes Forever" is worth the price of admission but that's just the whipped cream on the salad. The rest of the program is strictly out of the top drawer.

Everybody likes a military band but the Marine Band—ah brother that's something else again.

Nearly five million children in the United States ride school buses daily.

Fifty-seven per cent of all livestock shipped to stockyards in the United States go by truck.

## Plenty Of Turkey For U.S. Troops In Pacific Garrisons

SAN FRANCISCO, Nov. 10.—American troops in the Pacific garrisons are going to celebrate Thanksgiving with plenty of turkey and all the trimmings.

This assurance was given today by Brig. Gen. Fenton S. Jacobs, deputy commander of the San Francisco Port of Embarkation.

For a while the West Coast maritime strike had threatened to cause imposition of food rationing on American troops stationed in the Far Pacific and Orient.

Gan. Jacobs said however that a fleet of Army transports, refrigerator vessels and Navy ships is delivering ample food supplies to the overseas Pacific garrison. The refrigerator ships, taken out of the "mothball fleet" on the East Coast, are carrying extra heavy loads across the Pacific, Jacobs said.

Accordingly, he added, it will be

a normal Thanksgiving for the troops in Japan, Korea, Alaska and the Pacific islands.

# Marriage And Career Seem To Work Well In Political Field Now

By MARTHA KEARNEY  
(U. S. Staff Correspondent)

WASHINGTON, Nov. 10.—It looks as if career girls have outgrown the days when they had to choose between marriage and a career.

At least in politics, judging by the nine political career girls elected to the Eighty-First Congress, it looks very much as if they can eat their cake and have it, too—frosting and all.

All nine of the women who will serve in the Senate and House for the next two years are wives or widows. Most of them are mothers. And since six of them are repeaters in Congress, it looks very much as though marriage might be an excellent background, possibly training ground, for a brilliant career in politics.

Rep. Helen Gahagan Douglas (D) Calif., who is about to start her third term in the House, is the wife of movie star Melvyn Douglas. She is the mother of a 14-year-old son and a nine-year-old daughter.

Mrs. Katherine St. George, starting her second term as a Republican congresswoman from New York, is married to George B. St. George of Tuxedo Park, N. Y. She has one daughter and two grandchildren.

Mrs. Cecil M. Harden of Covington, Ind., the Republican congresswoman-elect, is the wife of Frost Harden. She has one son, a doctor who served in the Army Medical Corps during the war, and two grandchildren.

Judge Reva Beck Bosone, the newly-elected Democratic representative from the Second District of Utah, has a young daughter and an outstanding career in politics to her credit.

Mrs. Chase Going Woodhouse, just returned to Congress as a Democratic representative from Connecticut after a two-year absence, is the mother of a son and a daughter.

Rep. Mary T. Norton (D) N. J., who will begin her 24th year as a congresswoman in January, is the widow of Robert Francis Norton. Three of the women elected to the Eighty-First Congress were first sent to the House to succeed their husbands. All of them have been elected to every Congress since.

## 'Royal Highness' Title Conferred On Expected Baby

LONDON, Nov. 10.—(INS)—King George VI granted "letters patent" today conferring the title of "Royal Highness" on Princess Elizabeth's expected baby.

The infant will be entitled from birth to be called prince or princess.

This traditional measure means that the child never will be a commoner. It will be royalty from the second of its existence.

Seemingly reliable information indicates the birth will occur this week-end.

## New Synthetic Textile Is Ready

New York, Nov. 10.—(INS)—Housewives will soon become familiar with a new fire and insect-resistant synthetic textile, "vinylon N."

Engineers of the Carbide and Carbon Chemical Corporation described the properties of the new fiber at the 41st annual meeting of the American Institute of Chemical Engineers in New York.

Textiles made from "vinylon N" are said to be fire resistant, possess low water absorption qualities and are therefore quick drying, and highly resistant to mildew, fungus, insect and chemical attack.

According to the engineers, the fabrics made from the new fiber can take the appearance of wool and other standard materials.

## Around Hollywood

By ROLAND HAYES  
(International News Service Staff Correspondent)

HOLLYWOOD, Nov. 10.—There is more than one way to spell "cat". To movie technicians a cat is usually "qrm".

Before proceeding let us explain herewith that "qrm" is an international radio signal meaning "I am being interfered with."

A whole family of qrm's raised hob the other afternoon on a sound stage at Warner Brothers film factor, where Raoul Walsh was directing a big scene for "Colorado Territory".

Joel McCrea, Virginia Mayo and Dorothy Malone were making with the emotions in the living room of a ranch house.

Okay Cut

And then a two-months-old kitten emerged from the other end of the king-size building, where there was a labyrinth of walls, columns and staircases which had been used in the recent palace sequences of "Adventures of Don Juan".

The pussycat, mewing piteously, walked toward the lighted set.

"Qrm!" yelled Les Hewitt, the head sound man, thus telling the recording engineer that the sound track had been spoiled.

The kitten was caught and given the old heave-ho. The scene was started again.

This time it was interrupted by a much louder and more imperative "mee-owww!"

The momma cat, followed by two obedient offspring, was looking around for the kitten that had strayed.

Walsh upset

"Qrm!" chorused McCrea, Miss Mayo, Miss Malone and several members of the crew. Director Walsh muttered a few syllables of his own that sounded like "D?& (XST)!"

Six workmen were deployed and

began converging on the three cats, which were not at all deceived by the phoney cordiality in the calls of "Here, kitty, kitty".

The kitty-kitties took evasive action, ducking under the property truck and other items of equipment.

The big door of the stage was opened and the cats scurried out into the studio street, where they met the evicted kitten. Then, headed by the matronly cat, all four stalked off toward the back lot, looking for quieter quarters.

Off the celluloid cuff.—The title of George Raft's next picture is "The Big Jump", which has nothing to do with the Olympic games.

Joel McCrea, Frances Dee and their two kids already have booked passage for a European vacation next June . . . Mickey McCardie, former Southern California football ace, will soon get star movie billing. Mickey, who hates to fly, portrayed an Army pilot in "Fighter Squadron" and in his current flicker, "Task Force", he is Navy flier . . . Ruth Hussey's hubby, Bob Longenecker, has opened an agency for television writers . . .

## Latin America Sees U.S. Aid As Election Result

WASHINGTON, Nov. 10.—(INS)—A Guatemalan newspaper editor today said Latin America sees President Truman's election as assurance that the good neighbor policy shortly will be translated into large-scale industrial and economic aid.

Manuel Eduardo Rodriguez, chief economic analyst for Guatemala City's El Imparcial, said last Tuesday's election results were construed by his countrymen and other Latin American peoples as a "healthy" augury of continuing U. S. interest in Latin American problems.

He recalled that Guatemala was seeking a World Bank loan for roadbuilding projects and added that, additionally, it would welcome U. S. help in making available to his country increased imports of heavy machinery.

## Personal Income Rate Of Americans Remains Same

WASHINGTON, Nov. 10.—(INS)—The Commerce Department reported today that the annual personal income rate of Americans in September remained unchanged at 214 billion 600 million dollars.

The figure was the same for August.

The department said that while wage and salary receipts "rose slightly" and divided disbursements advanced, offsetting decreases were registered in transfer payments and farm incomes.

The drop in transfer payments was attributed to further decline in veterans bonus payments by state governments. The department said the farm income declined slightly in September as prices farmers received for agricultural products fell for the third consecutive month.

**Labor Situation In U.S. German Zone Now 'Tense'**

BERLIN, Nov. 10.—(INS)—An American military government report said today that the labor situation in the U. S. Occupation Zone of Germany has become "tense" because of rising prices and employer resistance to wage increases.

Paradoxically, the report for September said the number of strikes dropped to a new low since the occupation began.

Bizonia, the merged British and American zones, was said to have achieved its strongest economic position since the end of the war. Bizonia is a key part of the Euro-

pean recovery program and the Marshall aid plan.

Gains Are Cited

The report cited gains in steel, coal and electricity production and said further gains are expected as a result of a decision to hike the industrial level ten per cent.

The report also disclosed that the east mark of the Soviet Sector of Berlin has dropped sharply in value.

According to the report, West Berliners drawing 25 per cent unemployment benefits are actually better off than workers in the Russian Sector who get full pay.

Approximately ten per cent of the population of West Berlin is unemployed.

It is estimated that U. S. saw timber is now being used at a rate one and a half times its rate of growth.

**Plan To Expand Safety Program**

HARRISBURG, Nov. 10.—(INS)—The Pennsylvania Motor Truck Association today announced plans to expand its Accident Prevention Division to aid Gov. James H. Duff's Highway Safety Advisory Committee.

W. Robert Smith, of Philadelphia, chairman, said a full-time secretary will be appointed for the Accident Prevention Division to speed up activities.

Highlighting the PMTA's plans was a proposal to establish a safety patrol by the trucking industry to patrol highways of the state, report observations to employers and present information to the Prevention Division for analysis.

Armistice Program  
Given By Students

Nine-Week Report Period Concluded Today At School; Grades Go Out Next Week

Mahoning school students from the third through the ninth grade witnessed an outstanding Armistice Day program presented today in the school by boys and girls from several grades. The program was presented today due to the fact that school will be dismissed for the holiday on Thursday.

Under the supervision of Miss Edith Shira, teacher in the lower grades, the well balanced program honored the boys who 30 years ago fought over there to preserve the freedom of the world. Appropriate music interspersed the presentation which was given at two different times in order that all the pupils could witness it.

Most every pupil in the building has been on his or her good behavior today due to the fact that with the close of today's session, the report period has come to an end and a nine week's report card, the first of such to be tried in the school will be issued some time next week. The new system will involve more work for a while for the school teachers and office secretary, but once the first trial of the system has passed, the plan will function smoothly, it is reported.

An exceptionally good attendance record has been set by the students at Mahoning school. Absences these days are negligible, it is reported by Principal Fred McLure. Very few pupils are off due to colds or influenza. Milk which will be sold in the school starting next week, will add to the good health of the boys and girls. Through a government set-up, the milk can be bought by the pupils very reasonably.

The ninth graders have been working very hard in order to secure funds for their graduation events next spring. The boys and girls have been securing magazine subscriptions and have already

sold \$476 worth, just \$24 short of their \$500 goal.

Mahoning school is cooperating with state education week and the parents of the boys and girls may visit the school anytime during the week and get acquainted with the teaching staff and see how the various classes are operated. It will also enable the parents to get acquainted with the new report system and to discuss with the teachers the grades of their boys and girls before the report cards are issued.

Methodist W.S.C.S.  
Studies About Korea

The annual Thank Offering meeting of the W.S.C.S. of the Mahoning Methodist church took place on Tuesday evening in the church with Mrs. Agnes Weaver in charge of the devotional period. The topic for discussion during the evening was Korea with Mrs. Q. E. Davy conducting the discussion period. She was ably assisted by Mrs. Ralph Scowden, Mrs. George Kutz, Mrs. Vida Sturges, Mrs. Ruby Arble and Mrs. Omer Mauck. Miss Virginia Stone presented the summary of the chapter.

Mrs. J. M. C. president, assisted by Mrs. Emma Moss, conducted the business portion of the meeting. Hostesses serving included: Mrs. Maurice Boyd, Mrs. Harry Freeman, Mrs. Leonard Blasdel and Mrs. R. C. Cather.

The next meeting will take place at the church on Tuesday, December 14.

Christmas Lights  
On December 10

Plans were completed for the erection and turning on of the outdoor street lighting for Christmas in the Seventh Ward during the regular meeting of the Seventh Ward Civic club in Hyde's Drug Store Tuesday at noon.

Announcement was made that the lights would be placed on Liberty street the first week in December and the system would be put in use about December 10. Cost of the display is being borne by the various merchants of the Seventh Ward.

A visiting speaker, Thomas G. Allen, Lawrence County Scout executive, spoke to the civic group on scouting and what to do about the ward scout troop. He suggested that the civic organization take over the leadership and responsibility of the troop. A committee was appointed to look into this matter.

Following the completion of the other routine items on the agenda, the meeting dispersed to assemble at the same place next Tuesday at noon.

Mrs. Minnie Tindall  
Has Perfect Record

Mrs. Minnie Tindall of Willow Grove, teacher of the Signal Lights Bible class of the Mahoning

Methodist church has been signally honored by being presented with a plaque for 21 years' perfect Sunday school attendance.

The presentation was made by Lawrence C. Godwin, superintendent of the Sunday school, with appropriate remarks made by the pastor, Rev. J. L. Petrie. The award is made to each one in the school who reaches the 21 year mark.

Mabel Wilson Lodge  
Names New Officers

Mabel Wilson Lodge No. 567 met on Tuesday evening at 8 o'clock in the lodge rooms for the annual business meeting and election of officers. The meeting was preceded by a thirteen dinner served at 6 p. m.

Committee in charge of the dinner event was: Mrs. Rose Mullen, Mrs. Edward Johnston, Mrs. William King, Mrs. Nick Rotundo, and Mrs. Lila Thayer. A special prize was won by Mrs. George Truby with the door prize going to Mrs. William Sapper.

The following officers were named for the ensuing year: President, Mrs. T. J. LaRock; vice president, Mrs. George Kirby; secretary, Mrs. Lila Thayer; treasurer, Mrs. George Fisher; chaplain, Mrs. Viola Evans; conductress, Mrs. Edward Johnston; warden, Mrs. Christopher Hulton; outer guard, Mrs. William Sapper; inner guard, Mrs. Jessie Reed and pianist, Mrs. Paul Hogan.

Social committee for the November 23 meeting includes, Mrs. Nick Rotunda and Mrs. Anna Masters.

SEVENTH WARD NOTES

Mr. and Mrs. P. R. Barth and Mr. and Mrs. H. E. Pugh of Clayton street have returned from Wellsville, O., where they attended the funeral of C. M. Taylor, a veteran of World War I, who died of a heart attack.

Lester Brumbaugh, West Madison avenue, has returned to his work after a week's absence when he was on a hunting trip.

Members of the Short Circuit club assembled November 7 for a dinner meeting in the home of Miss Betty Russo, 221 West Cherry street, in honor of Miss Bertha Ona, who will become a bride in the near future. Following dinner, cards, dancing and other diversions whiled the time away. The next meeting is to be with Miss

**HORACE HEIDT**  
Hunts for Talent

On Saturday, November 27th, the Youngstown Junior Chamber of Commerce is bringing to the Stambaugh Auditorium, Horace Heidt, His Musical Knights and His Outstanding Philip Morris Parade of Stars. This appearance marks a highspot in his nationwide search for promising entertainers.

The talent of Greater Youngstown, and all communities within 30 miles such as Niles, Warren, Girard, Sharon, Farrell, Hubbard, New Castle, Salem, Columbiana and Lisbon is invited to be auditioned for the Horace Heidt show. These auditions will take place at the Stambaugh Auditorium on November 16th and 17th at 7 p. m. The Youngstown Junior Chamber of Commerce will be delighted to have all those performers interested in competing in this audition appear these two nights and have any accompaniment they require with them.

The auditioning will be held in the concert room of the Stambaugh auditorium and the ability of each performer will be the deciding factor in selecting those contestants eligible to appear with Horace Heidt on the night of his shows to compete for cash prizes and a chance to travel with the famous Horace Heidt Parade of Stars.

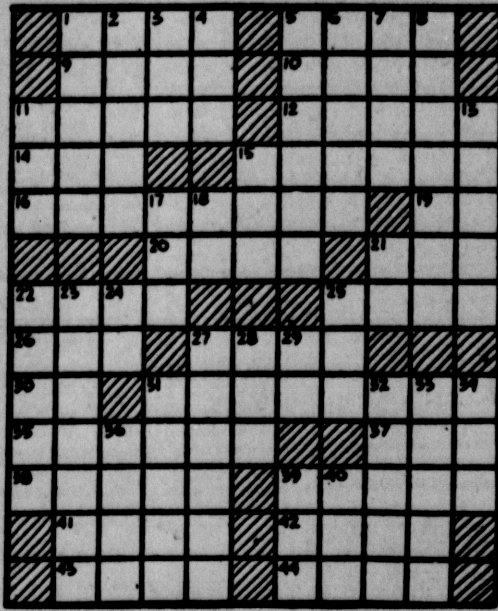

Dick Contino whose popularity was the result of a similar Heidt search for talent and who is a Youngstown favorite will be one of the featured new stars. Also "Johnny" of Philip Morris fame will be there to meet everyone.

Facts to remember, 7 p. m. Concert room of the Stambaugh Auditorium on November 16th and 17th.

### May Appeal Vote In Assembly Race

Joseph R. Hensley Considering Asking Several Boxes To Be Opened For Recount

#### OTHER EVENTS IN COURT HOUSE

Possibilities of an appeal from the official count in the race for General Assembly are seen.

Joseph R. Hensley, Democratic candidate for the office who lost the race by 16 votes, is being urged by friends to petition for the opening of several ballot boxes, in the belief that errors will show him to have won the race.

Mr. Hensley has not yet decided what he will do and for the present will analyze the returns to see if he will make such an appeal. He has five days after the completion of the official count to make such an appeal.

There has been no suggestion of an intentional fraud in the returns but in all five of the boxes opened errors have been found, in two of them substantial error. These all were of a type that could be classified as carelessness.

If any appeal is made, a deposit of \$50 will have to accompany the petition. If substantial error is found the \$50 for the particular box is returned. If no error is found, the county keeps the money.

#### RELIES ON ADVERSE POSSESSION

The case of Irma I. Seamans versus George H. and Isabelle Watters went to the jury Tuesday. This is a case where the plaintiff wishes to eject the defendants from a strip of land three feet wide and about 140 feet long on East Washington street.

The defendants rely upon the law of adverse possession. This law rules that where property is used for 21 years or more by individuals or the public that it then remains for that use if it can be shown no claim was made to oust the persons using it.

The Watters claim the property in question has been used as part of their property for over 40 years. A nice legal question was at issue. The case was before Judge W. Walter Braham in court room No. 1.

In court room No. 2, the case of Paul Shaw of Volant against Clarence E. Conner was called for trial. In this case the plaintiff asks heavy damages for injuries sustained when he was hit by the car of the defendant on October 25, 1947.

The accident occurred on North Mill street near Sycamore way when the plaintiff was crossing the street with his wife and small child.

#### SERVING DINNER

Question: I am having a dinner for eight. It will be informal, yet I am very anxious to make it a success. Would it be proper to serve the hors d'oeuvres in the living room? May I serve it or should the maid bring it in? I have one maid who must both cook and serve. What should be on the table when the guests enter the dining room—soup, salad, etc. I know how to set the table, placing china, silver, etc. Should the candles be already lighted and should I also use the electric light above the table?

Answer: If you will serve cocktails before the dinner, you may serve the hors d'oeuvres in the living room along with them. Since your maid will no doubt be busy preparing dinner, you may serve them yourself, asking a member of your family to help you.

If you will not serve cocktails, the hors d'oeuvres should then be on the table when your guests sit down. Should your first course be soup rather than an appetizer do not have it placed on the table until your guests enter the dining room. Your salad may be placed on the table at that time; or if you prefer you may serve it after your meat course.

Place fresh flowers in the center of your table (low enough not to obstruct the view of your guests) and flank them with four candles—two on each side. If you use candles, light them just before your guests are seated and do not use the electric fixtures above the table.

# Wabash Bears Await Invasion Of Fort Myer Team

## Lions Club Benefit Will Pack Stadium

New Castle football fans, who enjoy the finest in the way of grid entertainment, will be more than satisfied Armistice Night at Taggart stadium, as the Wabash Bears, semi-pro locals, battle the strong Fort Myer, Virginia Third Regiment team. This is a Lions Club benefit contest.

The kickoff tomorrow night will follow the big parade downtown, and will occur the committee states at about 8:15 or 8:30 o'clock. The parade is slated to start at 7 o'clock sharp.

### Two Big Teams

The game Thursday night will be the equivalent of seeing a pro game, both are big and fast. The Bears have a weight advantage on the line, coming in at 195 pounds against 180 for the soldiers. In the backfield the army team is the heavier, weighing 184 average to the Bears 180 in the ball carrying department.

This should be one of the hardest fought games of the year here. Both teams are anxious to win. It is the first appearance of a service team in New Castle. The soldiers are hoping to make a good impression.

### Bears Confident

"We'll win this one," the Bears chanted as they went through a snappy drill last night, beaming with confidence. Coaches Ralph Tomasiello, Gene Melchiorre and Skip Russo have been drilling the Bears on pass defense, as the soldiers will throw a lot of aerials.

The Bears have gone all out this week to perfect a strong defense also against the ground attack of the army team.

With indicated cloudy and colder for Thursday a crowd well over 5,000 will probably see the game. The Lions club, according to Chairman Worrell Jones, has gone all out to make this one of the best grid games seen here in years. The proceeds will be used for blind work and ceiling projects.

There has been a brisk advance ticket sale. Admissions are \$1 for reserved seats, 60 cents general admission and 35 cents for students.

### Bands Will Perform

For those who like music with their football games, the New Castle High band will be on hand to give a swell halftime show and the American Legion band will also be present to lend moral support to the army team.

The New Castle band has arranged for a clever Armistice Day pattern show for all the services.

Arrangements for the appearance of the Fort Myer team here tomorrow evening were made through the efforts of Captain Charles E. Weddle, commanding officer of the local U. S. army and U. S. air force recruiting main station.

The local army officials have co-operated 100 per cent with the Lions club in the undertaking of this big benefit game.

Largest gold nugget ever found in California weighed 196 pounds and was worth \$43,000.

## Dudley Named AA President

President Of Louisville Colonels Will Head American Association In 1949

CINCINNATI, O., Nov. 10.—(INS)—Bruce Dudley, president of the Louisville Colonels, was elected president of the American Association Tuesday at a board of directors meeting in Cincinnati.

Dudley was named to a three-year term at an unannounced salary.

Al Bannister, president of the Columbus Red Birds, was elected vice president.

Move Headquarters  
Dudley announced that American Association headquarters would be moved from Columbus to Louisville.

Francis C. Lane, former president, resigned to take over as general manager of the American League Chicago White Sox. Lane said he would remain on hand for a while to help Dudley get straightened out.

Lane said that among those considered for the job were Harry Geisel, former American League umpire now living in Indianapolis, and Leslie O'Conner, whom Lane succeeds as general manager of the White Sox.

Ruel Considered  
Lane also said that the directors considered Harold "Muddy" Ruel, former assistant to Baseball Commissioner A. E. "Happy" Chandler. Ruel, at present, is a coach with the Cleveland Indians.

Dudley's place on the league's board of directors will be taken by whoever is appointed by the parent Boston Red Sox club to head the Louisville team.

Johnny Murphy, Red Sox farm director and vice president of the Louisville club, will be the team's representative until a new president is named.

## 'Y' League Teams To Have Practice

Physical Director Harold Pears today announced the schedule for practice sessions of the teams that are entered in the various "Y" basketball leagues.

Contract deadline in the senior leagues is Wednesday, November 17. Today is the last day for junior church league contracts to be handed in.

Senior league practice is as follows: Wed., Nov. 10, 7:00 to 8:00; Croton and First Congregational; 8:00 to 9:00, First Baptist and First U. P., Thursday, Nov. 11, 7:00 to 8:00, Epworth and Wampum Presbyterian; 8:00 to 9:00 Wesley Methodist and St. Paul's; Friday, Nov. 12, 7:00 to 8:00, Rebels and Wings; 8:00 to 9:00, Shamrocks and G. I. Shines.

Junior church league practice will be as follows: Wednesday, Nov. 10, 6:00 to 7:00, St. George and Croton; Thursday, Nov. 11, 6:00 to 7:00, Epworth and Trinity; Friday, Nov. 12, 6:00 to 7:00, Second U. P. and First Baptist.

## WARREN LEADS IN GAMES 7-6

'Red Hurricanes' Hope To Even Series On Friday, Face Tough Task

New Castle's "Red Hurricanes" have two purposes in mind as they prepare to meet the Warren Harding High Presidents Friday night at Warren—to even up the victories in the series at seven games each and to avenge that 14 to 13 heartbreaker here last year.

Since New Castle and Warren started relations back in 1915, the Warrens have won seven, New Castle six and two have ended in ties, in 1937 and 1915. Warren has run up the biggest string of wins—five straight in 1941—13 to 0, 1942—7 to 6, 1943—14 to 6, 1944—21 to 20, 1945—18 to 12, then New Castle snapped the lose streak winning at Warren in 1946, 12 to 0.

Anything Can Happen  
Over the span of 15 games New Castle has tallied 155 points to 119 for Warren.

New Castle enjoys a decided edge in prestige this year with an undefeated and untied list of nine straight wins, all of which means nothing when the two teams face each other Friday night on the playing field. Warren will be mighty tough despite their three losses and one tie. The only teams to beat Warren this year are—Canton McKinley, Massillon, and Cleveland Collingwood.

## Docusen Scores Fourth Round TKO

LOS ANGELES, Nov. 10.—(INS)—Bernard Docusen of New Orleans, No. 1 challenger for the world's welterweight crown, scored a fourth round technical knockout over Bert Linam of Austin, Texas, last night at Olympic auditorium.

Outclassing his opponent from the opening bell, Docusen was awarded the nod when Referee C. E. Randolph stopped the fracas to save Linam further punishment. Docusen tipped the scales at 148 pounds, while the Texan weighed in at 147.

NO TRAP, SKEET SHOOT  
There will not be any trap and skeet shoot at the Sportsmen range tonight, it was announced by Herman Steinbrink, president. No further shoots have been announced.

## Beaver Falls Drops Ellwood City From Football Schedule

Beaver Falls school board has forbidden a superintendent of schools, Lawrence D. Smith, to renew their school's football contract with Ellwood City high school.

The oldest grid rivalry on the Wolverine schedule is being cancelled because of incidents that took place last Thursday night, the night before the annual football game between the schools. Despite a warning by Ellwood principal, Gerald Newton, to the police, a group of Ellwood followers painted the initials of their school on the Beaver Falls high school building and Reeves stadium, it is charged.

## KEEP CHESTERTOWN FROM AUCTION BLOCK

HARRISBURG, Nov. 10.—(INS)—Chestertown, 1946 winner of the Hambletonian trotting classic at Goshen, N. Y., was withdrawn Tuesday from the auction block at the 10th annual standardbred horse sale in Harrisburg.

Owner Robert J. Newman, of New Orleans, ordered the withdrawal.

The five-year-old trotting champion won \$30,000 in cash prize money last year and Trainer Henry J. Thomas predicted a similar sum would be captured in 1949.

## Black To Face Brain Surgery

Stricken Cleveland Hurler Has Continual Headaches, Doctors To Operate

CLEVELAND, Nov. 10.—(INS)—Don Black, Cleveland Indians' hurler stricken with a cerebral hemorrhage late last season, may undergo brain surgery next week in an effort to relieve continual headaches.

X-rays were to be taken today to determine whether the operation is necessary. If needed, the surgery will be performed by Dr. Spencer Braden, noted brain specialist, who has been treating the Tribe pitcher.

Black was struck down September 13 while at bat in a game against the St. Louis Browns. After winning his fight for life, he was released from Charity hospital October 24.

Not Dangerous  
Dr. Edward Castle, the Indians' team physician, said the operation is not considered dangerous and added that Black probably will be fully recovered long before the Indians open their spring training camp March 1 at Tucson, Ariz.

Black has announced that he intends to try a comeback and his name was included on the Tribe's 38-player roster which was released yesterday.

## Tickets On Sale Thursday For Game

J. H. Earl McKenzie, business manager at New Castle High, announced today that despite the fact that there will not be any school Thursday, the sale of tickets for the New Castle-Warren game will be from 12 noon to 4 o'clock on Thursday.

The reserved seats were sold out within an hour today, McKenzie said. Only general admission seats are now available.

## Titans And Grovers In Finale Saturday

(Special To The News)  
NEW WILMINGTON, Nov. 10.—A painfully bruised and battered Westminster college eleven resumed work Tuesday in preparation for the season's finale with their neighbor, Grove City, here Saturday afternoon. Coach Melvin Heizer gave the men a holiday Monday to overcome the effects of the bitterly contested game with Waynesburg Saturday.

Westminster needs a win over the Grovers to assure a successful season. In seven games, the Titans have won three, lost three and tied one. The campaign has been much more successful than the 1947 season when only one victory was topped.

Adopt Slogan  
There are just enough pre-election Democrats among the gridgers that the inspirational slogan "If Harry can do it, I can do it" is being heard. Encouraged by Slippery Rock's win over the Grovers which proved the Grovers are not invincible, the Titans have paraphrased the slogan to read "If Slippery Rock can do it, we can do it."

Despite the physical beating taken from the heavy Waynesburg squad, the Titans came through without serious casualties. For the second week Brady Mitchell, husky tackle, played most of the game with his injured arm in bandages. He expects to be able to do away with the wrappings Saturday.

Competition between the Grovers and Westminster this week will not be limited to football. The soccer teams meet at Grove City Friday afternoon. In their meeting here, the schools battered to a scoreless tie.

About one-half the retail stores in the U. S. are so small they hire no employees.

## Warriors Win By Score 92-24

PHILADELPHIA, Nov. 10.—(INS)—The Philadelphia Warriors chalked up their 11th straight victory in three seasons over the Providence Steamrollers by the score of 92 to 24 last night at the Arena in a Basketball Association of America contest.

Jumpin' Joe Fulks, high scorer of the league, paced the Warriors with 27 points—13 of them coming in the second period. Center Ed Sadowski was right behind Fulks with 26 counters.

Penn State's cross-country ace, Horace Ashenfelter, of Collegeville, Pa., is considered a top candidate for IC-4A title honors.

In summing up the turkey situation, Ross L. Leffler, president of the Pennsylvania game commission said there are two kinds of hunters—"the regular hunter and the turkey hunter."

Don "Pop" Longnecker of West Newton, Pa., is 32 years old and running cross-country from Penn State.

## International Meet Proposed

NEW YORK, Nov. 10.—(INS)—Plans are being completed for a bi-annual track meet between the nations of Europe and the Americas. Officials of the Amateur Athletic Union said today that they hoped to hold the first meet in 1949 either in the Midwest or a western city in the United States. If current plans pan out the site for the meet will alternate each year.

**Plans Approved**  
Daniel J. Ferris, secretary-treasurer, said the present plans have been approved by the AAU, adding that they began to take form at recent Olympic games in London.

A definite pronouncement is expected from the AAU at its annual meeting in December, Ferris said. He declared that amateur federations of Europe are meeting in Brussels, Nov. 20.

Ferris said the ultimate success of the proposed international meet will depend on a vote of confidence by the various European amateur athletic unions.

Present plans call for Europe's best track stars to be pitted against entries from the United States, Canada, Central America and South America. The meet would be held every pre-Olympic and post-Olympic year. The track and field competition would include all Olympic events with the exception of the marathon, run, decathlon and the 50 kilometer walk.

## Rockets Will Try To Move Upward

(By International News Service)  
The Philadelphia Rockets will try to move up a notch in the eastern division of the American Hockey league tonight when they face off against the Springfield Indians at the Philadelphia Arena.

The Rockets have only been beaten once in four home games, and may capture fourth place from the Indians with a victory tonight. Should they lose, the Rockets will tumble into the cellar by virtue of Washington's defeat of Buffalo, 4-2, last night.

## Donald Spears On Cage Squad

## HERE AND THERE IN SPORTS' LAND

**BEAR** season opens November 15, and closes November 28. Last year, 569 bears were killed. It is anticipated more than 500 will be killed this season. Quite a number of New Castle hunters will hunt bruin. Motion pictures of the New Kensington-Ambridge high school grid game which caused a rupture between the two schools, were displayed Monday night in Pittsburgh. They were shown here on Tuesday. Billy Pozza had a more difficult opponent at Pittsburgh than the one he had here. However, he knocked out Tommy Stewart with a right to the jaw in the fourth round. Army has denied it will play California in a post-season charity game. A crowd of local football fans will see the Cleveland Browns clash with the San Fran 49ers, Sunday, in Cleveland. Each eleven has a perfect record. In four games they drew 242,433 fans, and expect a capacity crowd. Sunday, Johnny Ray, former News reporter, and a former assistant U. S. attorney, is one of four mentioned as a possible successor to Judge Robert M. Gibson, U. S. Federal court jurist, should he retire. Pick Gilch, who has served in every capacity in baseball, is a painter by vocation. Mickie Solomon, former middleweight, is tutoring Ross Hoover in fisticuffs. Paul McCullough, former pitcher, would like to manage the Youngstown Civics next season. Same operation of autos should be the rule of those who drive to Warren, O., Friday night, to witness the Ne-Ca-Hi vs Warren Harding game. Ne-Ca-Hi hopes to make it 10 straight, and untied. Thirteen fatalities occurred in Pennsylvania over the week-end, of which 10 were due to auto accidents. Last season's score: Warren 14, Ne-Ca-Hi, 13. Cats destroy rabbits and birds. Some years ago, while game protector, Jewell Coen shot a cat almost as large as a wildcat. Dr. F. E. Eakin shot a ringneck and three rabbits during a forage into the rural district. He recently acquired a Beagle for rabbit hunting.

The Optimists say: "The youth of our country will be our leaders tomorrow." Optimists do things for boys. Migration of ducks to Lake St. Peter, 65 miles east of Montreal, has resulted in many deaths, because of an oil slick left by a tanker on the lake. They are unable to fly because of the oil on their wings. Should any hunter shoot a bear here? There would like to know it as soon as possible. Telephone 4000. It appears as though Penn State has won the state's mythical grid title for 1948. Bob Ross, Ellwood City, son of County Detective Charles Ross, is a Nittany Lion. Bobby Neal continues on the trial of Frankie Moran, local welterweight puncher, according to a letter from Manager Nat Moll. While supervising the local boxing show recently, Lou Shiring, deputy to Commissioner Montgomery, expressed the opinion, such a fight would be good, and close. So far, a Rizieri Ronzi-Billy Pozza bout has not been clinched. The latter bout would result in an overflow assembly. Mickie Fortkins, Warren, who boxed as welterweight in the Dime stable, has returned to Warren from California. He intends to re-embark in the hotel business. Bill Lynch, formerly of the West Side, is now a Butler resident. His brother, Tommy, is in Detroit. Both are ex-veterans. Twont be long until the bass season is ushered out. Apparently, the weather has been better for fishing than hunting. Tommy Leach, JAC matchmaker, is a-hobbilin' these days, having sprained an ankle, incurred probably trying to make some attractive matches. Last season Gaylord Stoughton, Harlansburg, instead of going into the deer country, sat in a neighboring farm field, and bagged a buck, while his neighbor, Harry Campbell, was in the big woods seeking a buck. There'll be a lot of awards made at the Policeman's ball, Thanksgiving night in the Cathedral, and the biggest crowd in years is anticipated by President George Sigler of the F. O. P. and Gilmore Smith, general chairman. Pasteboards may be obtained at Police headquarters, Secretary G. C. Sylling, or any policeman.

## Woman Is Seeking Managerial Rights, Likes Boxing Game

By CONNIE KNAUBER  
(N. A. Staff Correspondent)  
PHILADELPHIA, Nov. 10.—The manly art of self-defense may soon feel the woman's touch in Pennsylvania, if Mrs. Vivian Powell Johnson gets her way.

Mrs. Johnson, a mid-thirties widow who knows her way around the business world, has ambitions to get into the fight game on the managerial end.

But the State Athletic Commission tossed out her license application on the grounds that the introduction of women managers would be "detrimental to boxing, conducive to riots and inimical to the best interests of the boxing public."

**Right to Living**  
As a result, Mrs. Johnson and the commission are currently slugging it out in a Dauphin County Court on her charge that the commission is depriving her of her right to make a living.

Mrs. Johnson doesn't sound like a fight manager. She's soft-spoken, grammatical and doesn't even indulge in an occasional double negative. She's more the tearoom proprietress type.

As a matter of fact, she's been in both the real estate and restaurant business—and that's one of the reasons she thinks she'd make a pretty good manager.

**Nephew Is Fighter**  
Another reason is her 18-year-old nephew, Charles Powell, Jr., who wants to be a fighter. Mrs. Johnson thinks he's going to make a pretty good middleweight, and she'd like to guide his career herself.

"I think I'd make just as capable a manager as some of the men I see in the business today," she declared. She hastened to explain that as a manager, she will handle only the business end, leaving the conditioning and training to a trainer.

A license is about the only thing that's lacking in her bid to become a manager. She has leased a gymnasium over a garage several blocks away from her home. And she's lined up a trainer—Jackie "Tiger" Flowers, a middleweight who did most of his fighting in New England before he entered the service.

**Has Stable**  
What's more, she's already got a "stable" of five fighters. Three of them—middleweight Ellis Stewart and heavyweights Billy Norris and Joe Green—are experienced. The other two will make their pro debuts when and if Mrs. Johnson wins her match with the State Athletic Commission.

The three ring-wise fighters are seeking her management, she said, because (A) they rather fancy the idea of having a capable businesswoman look after their affairs de purse, or (B) because they think a female fight boss will be a novel drawing card, thus increasing their gate.

**Could Make Matches**  
If Mrs. Johnson gets her way, everything will be strictly Marquis of Queensbury.

"Women would match their fighters more evenly in weight," she declared with a little jab at the menfolk.

She followed the jab up with a lady-like hook to the effect that Women would be a little more careful about matching ability as well as weight.

Besides, says Mrs. Johnson, she's always enjoyed a ring-side seat, now she'd like to get a little closer to the game.

Although stopped by the New York university football team in his efforts to regain leadership in the ground gaining division of the Eastern Intercollegiate Football Association, Dick Gabriel, sophomore left halfback from Valley stream, N. Y., at Lehigh university, continues to lead the Brown and White in scoring and ground gained.

The 34 points scored by Juniata College in the Haverford game this season was the highest single game total registered by the Indians since 1938.

## Large Number Of Nominations To Reach Congress

New Congress Will Get Huge Bundle Of Nominations In January

By WILLIAM THEIS  
(U. S. Staff Correspondent)

WASHINGTON, Nov. 10.—A fat bundle of presidential nominations shelved by the GOP 80th Congress including 830 postmasterships—will be dropped in the lap of the new Democratic Senate in January.

A Senate Democratic spokesman said today this will be the first business sent to Capitol Hill after the Senate organizes with the party of President Truman back in control.

The Republican stand in the regular session, and its refusal to act on any of the 10,213 nominations sent up in the special session, angered many Democrats.

Sen. Lucas (D) Ill., who is slated to become majority leader, castigated the Senate Postoffice-Civil Service Committee for holding up the postmasterships. Many of them he repeatedly told the Senate, were veterans.

**Expect Fast Confirmation**

But there is no doubt on Capitol Hill about fast confirmation being given all the President's nominations. The Senate will be made up of 54 Democrats and 42 Republicans, a 12-vote margin of control. The list of those by-passed this year and given interim appointments by Mr. Truman includes half a dozen major board and commission members, four U. S. district judges, seven U. S. attorneys and 12 U. S. marshals.

Most of the postmasters whose appointments failed to receive action this year received appointments by the postmaster general as "acting postmasters." Such temporary designations are good for six months, and may be renewed for another six months.

But the Senate's confirmation of only 523 postmasters out of a total list of 1,273 was a real sore spot with the minority Democrats. Lucas severely rebuked them for blocking all GOP legislative action until the Postoffice Committee headed by Sen. Lister (R) N. D. reported out the postmasters.

**None Still Pending**

None of the old nominations is still pending in the Senate. All automatically expire 30 days after Congress recesses or adjourns. But a new list, perhaps with some changes rewarding loyal Democrats who got out and battled to help the President in the "upset" election campaign, will be ready for the new Congress.

One of the hottest nomination fights in committee was that over the appointment of Thomas C. Buchanan of Pennsylvania as a member of the Federal Power Commission. The Senate Interstate Commerce Committee held it up and Mr. Truman gave Buchanan an interim appointment.

Members said that Buchanan's appointment already has been vindicated. He said that the Pennsylvania vote on the FPC "prevented a \$1,600,000 gas rate increase in Pittsburgh."

Among the nominations unconfirmed by the last session were:

Thomas C. Blaisdell, Jr., as assistant secretary of commerce; James Boyd, of Colorado, as director of the Bureau of Mines; David J. Coddair, of Massachusetts, as a member of the Maritime Commission; Franc C. Squire, member of the Railroad Retirement Board; William E. Willett of Maryland, Reconstruction Finance Corporation member; Garland S. Ferguson, Jr., North Carolina, Federal Trade commissioner; Ernest Gruening as governor of Alaska; John M. Houston, of Kansas, as a National Labor Relations Board member; John J. FitzPatrick, as collector of internal revenue and W. Averell Harriman as U. S. representative in the Economic Commission for Europe.

The right accessories, like an inexpensive sleeve board, pressing cloth and mitt, a misty sprayer or a cellulose sponge for dry spots, can help you turn out a professional looking job of ironing.

## HFC has CASH when you need it

Here you can borrow \$20 to \$1000 on your signature, car or furniture without endorsers. Take 6, 12, 15 or more months to repay, depending on the purpose of your loan. Our charge is substantially below the lawful maximum on loans up to \$300.

**Borrow For Any Good Purpose—** Overdue bills, medical expenses, emergencies and other problems bring thousands of people to HFC every day. For money when you need it, come to Household.

Cash You Get	MONTHLY PAYMENT PLANS				
	20 payments	15 payments	12 payments	9 payments	6 payments
\$100	\$6.57	\$8.00	\$9.75	\$11.15	\$13.15
200	13.74	15.90	19.33	22.15	26.15
300	20.46	23.80	28.82	33.02	39.15
